ROOM 112 and ROOM 224- What's Your Ready Rating?

Presenter - Sid McLaughlin, American Red Cross

Up to 40% of businesses don't survive disasters, with 80% going out of business, if not back up within a month. The Red Cross Ready Rating program is a free, web-based, membership program designed to help businesses, organizations and schools become better prepared for emergencies.

Room 112 - Time: 8:15 to 9:15

Room 224 - Time: 10:45 to 11:45

ROOM 112 - Mental Health in Your Community: How Many Tragedies Will It Take?

Presenter - Ron Morton, BlueCross/BlueShield

A discussion about critical mental health issues in our communities, what is and isn't being done about them and some of the efforts currently being made to provide alternatives such as mental health first aid.

Time: 9:30 to 10:30 and 10:45 to 11:45

ROOM 112 - Industrial Fall Protection

Presenter - Fritz Christ, MSA

Selecting the correct equipment and anchor points are critical components of a fall protection program. This session will review the latest developments in equipment.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 213 and ROOM 221 - Thermal Regulation, Protective Clothing and Heat - The Exogenous Factor

Presenter - John A. Murnane, Wellmont

Things are heating up: Avoiding heat-related illnesses and injury. How our body responds and what to do about it.

Room 213 - Time: 8:15 to 9:15

Room 221 - Time: 10:45 to 11:45

ROOM 213 - Is It Safe To Go Outside?

Presenter - Bruce Cole, Natural Resources Manager, HSAAP

This class will examine leading causes of accidents in popular outdoor activities, such as hunting, boating, biking, hiking, etc., and how to reduce injury risks. Other potential hazards will also be discussed such as poisonous plants, insects, snakes, bears, etc.

Time: 9:30 to 10:30 and 10:45 to 11:45

ROOM 213 - Be Prepared for Severe Weather Emergencies

Presenter - Jim Bean, Director, Sullivan County EMA

Discussion on preparing yourself and your family for an emergency. Being prepared cannot only reduce fear and anxiety that accompanies a disaster, but also helps reduce the impact of the incident.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 214 - Common Sense Stress Management

Presenter - Ed Latham, Senior Environmental Safety & Health Representative, Y-12 National Security Complex

What stress coping style do you bring to a situation? Cope better using common sense. This session will focus on what you know about you and how to learn more.

Time: 8:15 to 9:15 and 9:30 to 10:30

ROOM 214 and ROOM 225 - Traffic Crashes: Causes, Effects, and Investigations

Presenters - Officer Dustin Jackson and Officer Matt McGuire

Join the Kingsport Police Department's Traffic Unit as we discuss some of the common causes and counter-measures to avoid becoming involved in a collision.

Room 214 - Time: 10:45 to 11:45

Room 225 - Time: 2:00 to 3:00

ROOM 214 - Protecting What You Value Most: Fire Safety in the Home

Presenter - Barry Brickley, Public Education Officer, KFD
Safety, Safety, Safety...We hear it every day on the job. When we leave for home, does our safety mind-set go with us? Explore fire and life safety at home to help keep you and your family safe.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 219 and Auditorium- TOSHA Special Emphasis

Presenter - John Pietuszka, CSP, TOSHA

This session will discuss Special Emphasis programs, newer standards, inspection procedures, commonly cited items, and current hot topics.

Room 219 - Time: 8:15 to 9:15

Auditorium - Time: 10:45 to 11:45

ROOM 219 - Social Media as a Tool for Law Enforcement

Presenter - Tom Patton, Public Information Officer for KPD

This presentation will highlight how the Kingsport Police Department utilizes various social media applications to help fulfill its law enforcement mission.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 219 - Can You Gun-Proof Your Child? Keeping Your Child Safer in a Gun-Filled World

Presenter - Bob Campanovo, NRA Senior Training Counselor

Regardless of your personal pro- or anti-gun sentiment, guns are potentially available in your child's world. This class will review hazards of firearms and methods for keeping children safe.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 221 - The Shocking Truth About Electricity

Presenter - Bob Huddleston, Eastman Chemical Company

Subtle hazards of electricity, such as improper use of extension cords or improper ground-fault protection, can result in catastrophic injuries. This presentation covers a common sense approach to the basics of electrical safety and how to properly use protective devices.

Time: 8:15 to 9:15 and 9:30 to 10:30

ROOM 221 - So, You Think It Won't Happen To You?

Presenter - Larry France, Eastman Fire Department

The old saying, "You do what you drill" is fairly accurate. This course will emphasize the importance of table-top exercises and discuss the components necessary to conduct a successful drill.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 223 - When People Change, Everything Else Changes

Presenter - Bob Nelms, President, Failsafe Network, Inc.

There are ways to combat the "Blame Virus", even if you do not think you are infected. Attendees will be exposed to a simple, practical, yet effective method to tap into handling the small problems that each of us encounter at work, home, field or office.

Time: 8:15 to 9:15

ROOM 223 - The Lessons of the Challenger Explosion

Presenter - Bob Nelms, President, Failsafe Network, Inc.

This presentation will cause you to think about progress, its consequences, and its costs..a look at what we, humanity, must do if we hope to avoid these kinds of incidents...will hopefully give you a renewed appreciation of the value of CONSCIENCE. You will learn that ALL true failure can be prevented if we would all simply do what we OUGHT to do, rather than what is convenient for ourselves at that "moment of decision."

Time: 9:30 to 10:30

ROOM 223 - The Lessons of the Macondo (Gulf Oil Spill)

Presenter - Bob Nelms, President, Failsafe Network, Inc.

Bob will review the details related to this horrific event and explore the possibilities of what went wrong. Can we learn from our mistakes, or do we feel vindicated when we can just place the fault on others? It is our problem.

Time: 10:45 to 11:45

ROOM 223 - You Have to Feed the Beast

Presenter - Bob Nelms, President, Failsafe Network, Inc.

Are we merely "feeding the beast" with our Root Cause efforts? In response to the question, "How can we do a better job with our root cause efforts?", this session will present the history and probe the answers of whether or not we should "try to feed the beast".

Time: 12:45 to 1:45

ROOM 223 - The Blame Virus and Its Antidote

Presenter - Bob Nelms, President, Failsafe Network, Inc.

The human tendency to blame others and things for the events that go wrong in their lives is near the root of everything that goes wrong. Fortunately, there is an antidote to the blame virus.

Time: 2:00 to 3:00

ROOM 224 - Protecting Your Identity: What You Should Know and What You Should Do

Presenter - Jerry Stout, Regional Advisor, Tennessee Department of Safety and Homeland Security

Identity fraud is the fastest growing crime in the world. With twelve million victims in 2013, the numbers are increasing at an alarming rate. There is money in Dumpster Diving. Have you checked your garbage lately?

Time: 8:15 to 9:15 and 9:30 to 10:30

ROOM 224 - Active Shooters: How to Respond If You Are There

Presenter - Tony Armstrong, Security Manager, BAE Systems, Inc. HSAAP

Using graphic illustrations of actual active shooter events, Tony will explore the reality of the plague and what you can do to be prepared. There are proactive measures being implemented that may surprise you.

Time: 12:45 to 1:45 and 2:00 to 3:00

ROOM 225 - Drugs: A Current Perspective

Presenters - Lt. James Woods, Hawkins County Sheriff's Office

Are we gaining ground in the battle against drugs? Lt. Woods will review the latest trends in drug abuse relative to our region.

Time: 8:15 to 9:15 and 9:30 to 10:30

ROOM 225 - International Terrorism

Presenter - Brian O'Hare, Special Agent, FBI

This presentation is designed to help recognize the presence of terrorist activity, detect the presence of terror weapons, and recognize medical signs/symptoms of exposure. This includes an overview in the historical and modern context, including chemical, biological, radiological, nuclear and explosive weapons and dispersion agents.

Time: 10:45 to 11:45 and 12:45 to 1:45

AUDITORIUM - How Do YOU Rank As A Driver?

Presenter - Jeffrey "Homer" Stillwell, President, Accident Avoidance Workshops

Ninety-five percent of people surveyed claim to be a good driver, yet 89.5 of them have less than 10 minutes of training in how to handle a driving emergency. REALLY?! Have you noticed how many folks can text and drive at the same time?

Time: 8:15 to 9:15 and 9:30 to 10:30

AUDITORIUM - Hold My Matches and Watch This

Presenter - Shane Jenkins, The Damascus Group

This presentation is fast paced and takes a dynamic look at the physical and chemical properties of flammable and combustible solids, liquids and gasses. Witness flash point, vapor density, vapor pressure, flammable range and much more!

Time: 12:45 to 1:45

AUDITORIUM - Explosive Devices and Materials

Presenter - Shane Jenkins, The Damascus Group

This program will introduce you to the hazards of responding to emergencies that involve energetic materials and/or explosive devices. Display items of various energetic materials, IEDs, homemade explosives and peroxide-based explosives will be used during this training.

Time: 2:00 to 3:00

INDOOR DEMONSTRATION - Driving Simulator - Wellmont Health Systems

OUTDOOR DEMONSTRATIONS - Fall Protection - Fritz Christ

OUTDOOR EXHIBIT - Accident Avoidance Workshop Trailer -
