Please see the following questions & answers:

1. Can you confirm the number of employees you have right now? Last Annual Report showed eligible 682 employees. Is that the most recent number?

757 Benefits Eligible employees of which 600 have elected health insurance coverage. In addition, there are 94 retirees who have elected health insurance coverage. Currently 694 covered employees/retirees.

2. Can you confirm current employee counts for:
Number of firefighters
Number of police

Firefighter count is 122. Police count is 152.

3. If we were to add pre-employment physicals to the health center services, approximately how many do you think we would do annually?

Police
Firefighter
All others

15-20 each for fire and police physicals. 100-115 for all other positions.
