Re: RFP for City of Kingsport Holiday Lights

Issue Date: 5/13/23

Due Date: 6/1/23

The following questions were asked regarding this Invitation to Bid:

1. Can you clarify E12 -ML? E12 is the base size but what size bulb? Assuming the ML is multi lights.  
**E12 base, sock C7 shape, warm replacement bulbs, ML stands for mini lights**
2. How many lights per strand of minis? What connection type?  
**70 lights per strand, standard plug**
3. Any particular style of garland? Do you have images of garland skyline and sign?  
**Plain green garland.**

4. 50 – 18’ Green Garlands, warm white lights: Where and how will these garlands be used?  
**They will be wrapped around the black light poles in downtown Kingsport**
5. 4 – 100’ Green Garland Skylines, warm white lights: We have a number of green garland skyline designs. Please provide an image of the design you want.  
**See pictures in question 3**
6. We cannot get these giant Christmas lights. Will you accept our alternative?  
**Yes, all alternatives will be evaluated and considered**
7. For the desired Holiday Lights section, do you know what color of 1000 extra replacement bulbs you are needing?  
**All lights are warm white**
8. For the E12 (C7 bulbs) what does ML stand for?  
**Mini Lights**
9. What count and length are you needing for the 710 light strings?  
**70 lights per strand, 23 feet long**
