

City of Kingsport for its Kingsport City Schools

RFP Photography Services for Kingsport City Schools

ADDENDUM ONE

Issued December 26, 2024

- Q: I was hoping you could clarify the commission amounts requested for pricing. Throughout the RFP it is referenced (example p. 13): Revenue share to be paid to the school and must be based on the following: Fall Pictures - 50% option and 25% option, Spring Pictures - 40% options and 20% option, Other Pictures - 20% option. However, in the Proposal Pricing Form (page 25) it asks: Fall Pictures 30% option and 20% option, Spring Pictures 30% option and 20% option, and Other Pictures 20%.
- A: This was an oversight. Percentages should have been updated throughout the RFP. Please quote the commissions listed on the Pricing Proposal only.
