COVID-19 / CARES ACT Update in red

1.0 PURPOSE

The City of Kingsport Tennessee Community Development Citizen Participation Plan represents a document and program that will actively seek the advice and input of the citizens of Kingsport, Tennessee, in the preparation, administration and implementation of the Consolidated Plan. The Citizen Participation Plan shall be in compliance with Section 91.105 of the Department of Housing and Urban Development Final Rule and 24 CFR Part 5. The express purpose of this Plan is to develop mechanisms to ensure the citizens of Kingsport Tennessee have an opportunity for ongoing citizen participation. It is also intended to establish procedures through which the Community Development staff and officials of Kingsport Tennessee may solicit and receive input from citizens, nonprofit organizations, and other interested parties and to give them an adequate opportunity to review and comment on the Community Development program and the goals, objectives and projects in the Consolidated Plan/Action Plan. The City shall make available to citizens, public agencies, and other interested parties information that includes the amount of assistance expected to be received (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low and moderate income.

2.0 METHODS OF APPROACH

Several approaches or techniques will be utilized to implement the Citizen Participation Plan. All methods shall retain the primary purpose of soliciting and receiving citizen input on the Community Development program, goals, objectives and projects.

Development of the Consolidated Plan/Action Plan

*The CARES Act made available additional funding in Community Development Block Grant Coronavirus (CDBG-CV) funds. The CARES Act adds additional flexibility for both the CDBG-CV grant and, in some cases, for the annual HUD 2019/City's FY2020 CDBG grants in these unprecedented times. The public comment period is reduced to not less than 5 days, grantees may use virtual public hearings when necessary for public health reasons, the public services cap is suspended during the emergency, and States and local governments may reimburse costs of eligible activities incurred for pandemic response regardless of the date. In addition, the CARES Act authorizes the Secretary to grant waivers and alternative requirements of statutes and regulations the Secretary administers in connection with the use of CDBG-CV funds and HUD fiscal year 2019 and 2020 CDBG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Waivers and alternative requirements can be granted when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus. These edits do not change current citizen participation policies but have been modified to allow for necessary expedited actions during times of declared disaster or emergencies.

The City shall encourage, in conjunction with consultation with public housing authorities, the participation of residents of public and assisted-housing developments in the process of developing and implementing the Consolidated Plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The City staff shall contact other City departments, local agencies and organizations to assist in the identification of housing and Community Development needs, review proposed use of funds, and review program performance.

At each Public Hearing the citizens of Kingsport, Tennessee, will be invited to participate for the purpose of obtaining their views, as well as those of public agencies and other interested parties. The Public Hearings will identify housing and community development needs, review proposed uses of funds, and review program performance for Kingsport's Community Development Programs.
