AGENDA ACTION FORM

Amend the Stonegate Redevelopment District Plan and Approve Tax Increment Financing for the West Gate Project

To: Board of Mayor and Aldermen
From: Chris McCartt, City Manager *RM*

Action Form No.: AF-307-2020
Work Session: November 30, 2020
First Reading: N/A

Final Adoption: December 1, 2020
Staff Work By: Jessica Harmon
Presentation By: Chris McCartt

Recommendation:

Approve the Resolution.

Executive Summary:

The Board of Mayor and Aldermen has previously approved the *Redevelopment Plan for Identified Districts and Study Areas*, as prepared by the Kingsport Housing and Redevelopment Authority, and various amendments over the years. The Stonegate Redevelopment District was one of the original three districts approved back in 2002. At the center of the district is the site of the former Wal-Mart retail store which serves as a blighting influence on the surrounding residential property. The site has sat vacant for over 18 years with little-to-no interest in redevelopment of the property.

The request is for approximately \$1,200,000 in increment financing for the completed project over 15 years. The project includes 90 units along with some sidewalk, street lighting and right-of-way improvements. Each single family unit is estimated to sell for a value of \$215,000-\$265,000. According to the Sullivan County Property Assessor, the new estimated land and improvement value is \$16,676,832. Base city taxes on the unimproved property as it stands today are \$11,587.33. Full build out would result in an available increment of \$85,734.61. A 35% hold back for both the city and county as well as the respective debt service requirements are set aside and not part of the TIF amount. Once the debt service set aside and the 35% hold back is accounted for, new taxes available to the city would be \$44,477.93. Once the TIF has matured, taxes available to the city would be \$97,321.94.

KHRA held a public hearing on November 6, 2020 and approved the Tax Increment Financing Amendment for the West Gate project. The Sullivan County Commission approved the TIF Amendment for this project at their regular meeting on November 19, 2020.

EXHIBIT A

STONEGATE PLAZA REDEVELOPMENT DISTRICT WEST GATE PROJECT TAX INCREMENT FINANCING AMENDMENT

Tax-increment financing ("TIF") is a redevelopment tool to be administered by housing and redevelopment authorities codified at Tenn. Code Ann. §§13-20-204 and 205, et. seq. The purpose of TIF is to provide an economic stimulus for blighted property in need of redevelopment. Upon adoption of this Amendment, TIF may be utilized to finance eligible redevelopment costs for a single family residential redevelopment project known as West Gate ("West Gate") to be located within the existing Stonegate Plaza Redevelopment District subject to the provisions of this Amendment. The TIF shall be administered as follows:

A. District History.

The Stonegate Plaza Redevelopment District was designated as a Redevelopment District by Kingsport Housing and Redevelopment Authority ("KHRA") in 2002. The Redevelopment District originally contained the former Stonegate Plaza which was a shopping center which primarily consisted of a Wal-Mart retail store along with other small businesses as tenants. Wal-Mart had vacated the property prior to 2002 and that portion of the shopping center has remained vacant since that time. The Stonegate Plaza Redevelopment District also includes an approximately 55 additional tax parcels which are primarily residential in nature. Redevelopment of the vacant shopping center area is critical to complete the transformation of the entire Redevelopment District. The Stonegate Plaza Redevelopment District is shown on the map attached as Exhibit One ("Redevelopment District"). The West Gate Project Area of the Stonegate Plaza Redevelopment District is shown on the map attached as Exhibit Two ("Project Area").

The Redevelopment District currently experiences one of the highest crime rates in the City. The asphalt area remaining on the property is dilapidated and constitutes a deleterious land use which negatively impacts the safety and welfare of the neighboring areas. Delay of the redevelopment of this site will continue to have a blighting influence on the adjacent residential areas. The use of TIF will allow the redevelopment of a site which has remained almost entirely unused in the past 20 years. The existing blight within the Project Area would be eliminated by implementation of the proposed Redevelopment Project. The presence of approximately 90 new single family homes and townhomes would boost the area schools and increase economic activity in and around the Redevelopment District. Redevelopment of this area via the proposed Project would also help alleviate the shortage of market rate entry level single family homes in the Kingsport and Sullivan County markets. Available residential ownership options are critical to assist area businesses in recruiting new employees to the area who will both work and live in Kingsport and Sullivan County.

Based on the foregoing circumstances and conditions, the Board of Commissioners of KHRA has determined that the District is blighted as defined by TCA 13-20-201 et seq. The District experiences the following conditions:

1. Long-term vacant and underutilized property.
2. Deleterious land use.
3. Blighting effect of the continued vacancy and deterioration of the property and impact to the surrounding properties including increased crime in the Redevelopment District

It is recommended that the project be redeveloped, rehabilitated and/or renovated in order to correct such blighted and deteriorated conditions.

B. District Zoning and Land Use.

The redevelopment of the District shall comply with the Zoning Ordinances and building codes as well as other applicable rules, laws, ordinances, codes and regulations of the City. KHRA shall also review the Plan and any redevelopment projects within the District with appropriate City agencies and officials to ensure that the Plan and the proposed redevelopment activities conform with local objectives relating to appropriate land uses, improved traffic flow, public transportation, public utilities, recreation and community facilities and other public improvements and needs. For a more complete description of the requirements and restrictions of the Zoning Ordinances of the City, reference should be made to the Ordinances themselves. This property be zoned R-3 by the City of Kingsport.

The City and KHRA will cooperate in the planning and construction of improvements to the streets, roadways, sidewalks, curbs and gutters, parking systems, lighting, landscaping and traffic signalization and control.

C. Estimated Cost of the Project.

The total estimated costs of all the proposed improvements to be made by Landstar Partners, LLC (the "Developer") for West Gate is \$3,891,528. The proposed improvements by the Developer include removal of the existing asphalt, grading, installations of storm water and utilities, construction of roads, installation of landscaping, lighting and other related amenities (the "Redevelopment Project"). Developer will then sell the residential lots to a home builder who will construct approximately 76 single family homes and 14 townhomes. The single family residences will be between 1800 and 2800 square feet and contain at least 3 bedrooms and 2 baths. The townhomes will be of similar size and have similar amenities. The purchase price for the residences and townhomes is currently estimated based on current construction costs to be between \$215,000 and \$265,000. The total project investment by the developer and home builder is estimated to be in excess of \$18,000,000.00.

In addition, KHRA will be paid an annual administration fee equal to five percent of the total annual tax increment revenue received by KHRA. The Project will be located upon the following three current tax parcels: Sullivan County Tax Map 045C, Control Map 045C, Group C, Parcel 041.20 and Sullivan County Tax Map 045D, Control Map 045C, Group D, Parcels 023.20 and 023.00 which are the only three tax parcel within the Project Area. The TIF shall be limited to eligible expenditures for the Redevelopment Project within the Project Area.

D. Sources of Revenue to Finance the Cost of the Project.

The primary sources of revenue to pay for the Redevelopment Project are proceeds in the amount of \$ 2,310,240.00 from a permanent loan to the Developer, Developer investment of \$ 316,160 and tax increment based debt (to be issued by the KHRA in the form of bonds, notes, or other indebtedness) in an amount not to exceed \$ 1,200,000, but in no event in an amount to exceed the estimated amount of debt that can be amortized over the 15 year increment periods which are hereby authorized by City of Kingsport (the "City") and Sullivan County, Tennessee (the "County"). Current projections suggest that the tax increment from the proposed improvements within the Project Area will be sufficient to retire this amount of indebtedness within a fifteen year amortization period for both the City and the County.

The total current property tax assessment for the Project Area is \$561,320. This results in annual property tax payments to the City in the amount of \$ \$11,587 and annual property tax payments to the County in the amount of \$ 14,425. The Redevelopment Project would result in a total estimated assessed value for property within the Project Area of \$ 4,714,525 (based on a \$18,858,102 tax appraised value) . Based on current tax rates, this would result in total estimated annual city taxes of \$97,321 and total estimated annual county taxes of \$121,163. Because Sullivan County has dedicated \$0.22 of its \$ 2.57 tax rate for repayment of indebtedness and the City of Kingsport has dedicated \$0.33 of its \$ 2.0643 tax rate for repayment of indebtedness, that portion of the increment, pursuant to Tenn. Code Ann. §§13-20-205 and 9-23-103, shall not be allocated as provided in Paragraph G below but shall be collected and paid to the respective taxing agency as all other property taxes are collected and paid. Thus, the estimated total available increment from Sullivan County taxes after the statutory debt service set aside but prior to any county holdback is \$ 97,600. The estimated total available increment from City of Kingsport taxes after statutory debt service set aside but prior to any holdback is \$ 72,029. However, this amendment provides in Paragraph G that 35% of the tax increment shall be retained by the City and County resulting in an estimated total annual available tax increment after holdbacks and KHRA administrative fees of \$ 104,746. The combined new tax revenue above the current base as a result of this Project would be \$43,297 to the County and \$38,915 for the City. A detailed calculation of these estimated projections is attached hereto as Exhibit Three. The redevelopment of the Project Area will not occur to the degree proposed without the use of tax-increment financing.

E. Amount and the Final Maturity of Bonded or other Indebtedness to be Incurred.

The amortization period for any indebtedness backed by the tax-increment revenue generated within the Project Area shall be no more than fifteen years from the date of issuance of the debt. In any event, the final maturity date of all indebtedness issued pursuant to this Amendment shall be on or before May 15, 2038. Upon retirement of all bonds, loans, or other indebtedness incurred and payable from tax-increment funds, or at such time as monies on deposit in the tax-increment fund or funds are sufficient for such purpose, all property taxes resulting from the incremental development of the project shall be retained by the appropriate taxing agency for disbursement according to law.

F. Impact of the Tax-Increment Financing Provisions Upon Taxing Agencies.

The total assessment of the City of Kingsport's real property tax base for the 2019 tax year is approximately \$ 1,878,156,270. The total assessment of Sullivan County's real property tax base for the 2019 tax year is approximately \$3,847,748,820. The current assessment of the Project Area represents 0.0002% of the City of Kingsport's property tax base and 0.000145% of the Sullivan County property tax base. The estimated assessment of the Proposed Improvements would represent 0.0025% of the current City of Kingsport tax base and 0.00122% of the current Sullivan County tax base. Based on these small percentages, the City and the County (the two taxing agencies affected by this Redevelopment Project) will not be substantially impacted financially by this tax-increment financing provision.

The development of the Redevelopment Project will result in additional residents and economic activity within the Redevelopment District. It is estimated approximately 180 total jobs could be created during the construction phase of the Redevelopment Project with a total economic impact of \$ 12,350,000 which results in significant local taxes and other revenue for local governments. In addition, the long term impact includes the addition of residents to our communities which results in significant additional local taxes and other revenue for local governments. While all these numbers rely on certain assumptions and projections, the end result of the Redevelopment Project is that a need for entry level home ownership has been met and the City and County will receive a substantial economic boost.

G. Division of Property Taxes.

Upon approval of this Amendment, the taxes levied and collected over the Project Area shall be collected by the appropriate taxing authorities in the same manner as provided by law, except that said taxes shall be divided as follows:

1. The portion of the taxes which would be produced by the rate at which the tax is levied each year by each taxing agency, upon the assessed value of such property within the Project Area as of the 2020 tax year (which is the year of approval of this TIF amendment) ("Base Assessment"), shall be allocated to, and when collected,

shall be paid to, the respective taxing agencies as taxes levied by such taxing agencies on all other property are paid; provided, that in any year in which taxes of the Project Area are less than the Base Assessment and the Dedicated Taxes, there shall be allocated and paid to those respective taxing agencies only those taxes actually imposed and collected; and provided further, that, in any year or years in which the Base Assessment would be diminished solely due to a rate reduction under Title 67, Chapter 5, Part 17, of the Tennessee Code, the Base Assessment shall nevertheless be established at the amount originally determined.

2. Subject to the restraints herein and applicable law, sixty five percent (65%) of all the taxes levied in each year in excess of the Base Assessment and Dedicated Taxes shall be allocated to and, when collected, shall be paid into a special fund or funds of KHRHA to pay the administration fee and to pay the principal of and interest on any bonds, loans or other indebtedness incurred or to be incurred by KHRHA to finance or refinance, in whole or in part, eligible redevelopment expenses of the Redevelopment Project contemplated by the Redevelopment Plan, and such other expenses as may be allowed by law. The remaining thirty five percent (35%) of all the taxes levied in each year in excess of the Base Assessment and Dedicated Taxes shall be allocated to and, when collected, shall be paid to the respective taxing agencies in the same manner as taxes on all other property are paid.

3. Upon retirement of all bonds, loans or other indebtedness incurred by KHRHA and payable from such special fund or funds, or at such time as monies on deposit in such special fund or funds are sufficient for such purpose, all taxes levied each year in excess of the Base Assessment and Dedicated Taxes shall, when collected, be paid to the respective taxing agency as taxes levied by such taxing agencies on all other property are paid, and KHRHA shall give notice to all affected taxing agencies of such retirement. Excess taxes beyond amounts necessary to fund or reserve for eligible expenditures may be applied to principal and interest of debt incurred to finance such eligible expenditures or shall revert to the taxing agency general fund. In any event, the division of property taxes required by this document shall not continue for any tax year beyond 2037.

H. Property Tax Assessments and Collection.

1. The appropriate assessor shall, in each year during the period in which taxes are to be allocated to KHRHA pursuant to Paragraph G, compute and certify the net amount, if any, by which the current assessed value of all taxable property located within the Project Area which is subject to taxation by the particular taxing agency exceeds the base assessment. The net amount of any such increase is referred to in this subdivision as the incremental value for that particular year.

2. In any year in which there exists a tax increment to be allocated to KHRHA, the appropriate assessor shall exclude it from the assessed value upon which the appropriate assessor computes the tax rates for taxes levied that year by the taxing agency. However, the assessor shall extend the aggregate tax rate of such taxes against

the Base Assessment and the incremental value and shall apply the taxes collected there from as provided herein.

3. AGENDA ACTION FORM

Extend Via Temporary Policy the Expiration Date of the Emergency Paid Sick Leave Act

To: Board of Mayor and Aldermen
 From: Chris McCartt, City Manager *RM*

Action Form No.: AF-309-2020
 Work Session: November 30, 2020
 First Reading: N/A

Final Adoption: December 1, 2020
 Staff Work By: Committee
 Presentation By: McCartt

Recommendation:

Approve the Resolution.

Executive Summary:

COVID-19 continues to adversely impact thousands of Tennesseans on a daily basis. Among these individuals are city employees who like many Americans are faced with the financial impact of missing work if possible exposure to or contraction of the virus dictates that they be quarantined or isolated.

On March 18th, 2020, the "Families First Coronavirus Response Act" was enacted which among other benefits and protections afforded employees with 80 hours of emergency paid sick leave if certain criteria were met. This emergency paid sick leave will expire on December 31, 2020, absent congressional action to extend the deadline.

In order to assist employees who may be adversely impacted financially due to quarantine or isolation, and in an effort to ensure a safe and healthy workplace, the temporary policy adopted by this resolution would extend the expiration date of the "Emergency Paid Sick Leave Act" until the expiration of the Governor's declaration of emergency or June 1, 2021, whichever is sooner. All other provisions of the act would remain the same which includes the total of 80 hours emergency paid sick leave available and the conditions which govern eligibility for the emergency paid sick leave. The policy does not pertain to the Expanded Family Medical Leave Act which will expire on December 31, 2020.

RESOLUTION

WHEREAS, the novel coronavirus known as SARS-CoV-2 was detected in the United States on January 20, 2020, and as a result on January 31, 2020, the United States Secretary of Health and Human Services declared a public health emergency due to the infectious nature and debilitating effects caused by the novel coronavirus, and;

WHEREAS, on March 13, 2020, the President of the United States issued a proclamation declaring a national emergency based on the COVID-19 outbreak in the United States, and;

WHEREAS, COVID-19 continues to be a significant threat as evidenced by the increase in the number of new infections, hospitalizations, and deaths; and the effects of which still adversely impact employees who have been or may have been exposed to the virus or have contracted the virus, and;

WHEREAS, declarations of emergency remain in effect at both the national and state level, and;

WHEREAS, the Emergency Paid Sick Leave Act is set to expire on December 31, 2020, however, employees continue to be adversely impacted by COVID-19 and require leave due to mandatory quarantine or isolation as a result of possible exposure to or contraction of COVID-19, and;

**Subject: Temporary Policy to
 Extend Emergency
 Paid Sick Leave**

Effective Date: January 1, 2021

Resolution No:

Policy

It is the policy of the City of Kingsport to extend the emergency paid sick leave created under “Families First Coronavirus Response Act”. Currently the leave afforded will expire on December 31st, 2020. Due to the ongoing impacts of COVID-19 which requires employees to quarantine or isolate when potentially exposed to or infected with the coronavirus employees may continue to utilize any of the 80 hours of leave still available to them until Governor Lee’s executive order expires or June 1, 2021, whichever occurs first.

Applicability

Employees may utilize paid sick time under the same conditions set forth in the “Emergency Paid Sick Leave Act”. This policy only extends the period of time in which to utilize the emergency paid sick leave and does not alter or amend any of the other terms and conditions contained within the act.

AGENDA ACTION FORM

Amendment to an Economic Development Contribution to the Industrial Development Board of Kingsport and Authorizing One or More Agreements Pertaining to the Same

To: Board of Mayor and Aldermen
 From: Chris McCart, City Manager *CM*

Action Form No.: AF-301-2020
 Work Session: November 30, 2020
 First Reading: N/A

Final Adoption: December 1, 2020
 Staff Work By: McCart/Billingsley
 Presentation By: McCart

Recommendation:

Approve the Resolution.

Executive Summary:

In December of 2013 the Industrial Development Board of Kingsport (aka. Kingsport Economic Development Board or KEDB) purchased a portion of the property owned by General Shale, see attached property map. During that same time the Kingsport BMA approved a resolution authorizing a contribution agreement, should it be needed, in the amount of \$4.0 million which was the amount of the loan/line of credit issued to KEDB. In addition to the purchase of the property, which was \$2,770,000, additional funding was used to demolish the structures located on the site in order to prepare it for future development. The present loan balance is \$3,289,320.21.

At the October 27, 2020 KEDB meeting a motion was made and approved to amend the current loan (\$4.0m) with First Horizon at a fixed rate of 2.15% for an additional 36 months with no early principal payment penalties. The plan is to restructure the loan once the portion identified for residential development is sold. Approval of this action form will replace the resolution approved by the BMA in December 2013 as it pertains to this matter. The new resolution will provide a contribution agreement, should it be needed, in the amount of \$4.0 million.

In the event loan payments are not made, the resolution provides that the city agrees to make a contribution to KEDB, if needed, for economic or industrial development.

RESOLUTION NO. _____

A RESOLUTION APPROVING AN AMENDMENT TO THE ECONOMIC DEVELOPMENT CONTRIBUTION AGREEMENT WITH THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF KINGSPORT, TENNESSEE; AUTHORIZING THE MAYOR TO EXECUTE THE AMENDMENT; AND ALL OTHER DOCUMENTS NECESSARY AND PROPER TO EFFECTUATE THE PURPOSE OF THE AMENDMENT

WHEREAS, in December, 2013, the board approved a resolution authorizing the mayor to sign an economic development agreement authorizing a contribution to the Industrial Development Board of the City of Kingsport, Tennessee (KEDB) for a portion of the property owned by General Shale; and

WHEREAS, since that time, KEDB has requested from First Horizon Bank approximately a three year extension to an existing loan until December 30, 2023; and

WHEREAS, as a result of this extension, the city needs to extend the above referenced contribution agreement for the same period of time.

Now therefore,

BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN AS FOLLOWS:

SECTION I. That an amendment to the contribution agreement with the Industrial Development Board of the City of Kingsport, Tennessee (KEDB) for property it owns formerly owned by General Shale Brick, Inc. is approved.

SECTION II. That the mayor, or in his absence, incapacity, or failure to act, the vice-mayor, is authorized to execute, in a form approved by the city attorney, and subject to the requirements of Article X, Section 10 of the Charter of the City of Kingsport, an amendment to the contribution agreement with the Industrial Development Board of the City of Kingsport, Tennessee (KEDB) for property it owns formerly owned by General Shale Brick, Inc. and all other documents necessary and proper to effectuate the purpose of the agreement or this resolution, said amendment being generally as follows:

FIRST AMENDMENT TO CONTRIBUTION AGREEMENT

THIS FIRST AMENDMENT TO CONTRIBUTION AGREEMENT, dated December 30, 2020, is made by and between THE CITY OF KINGSPORT, TENNESSEE, a municipal corporation of the State of Tennessee ("City"), and THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF KINGSPORT, TENNESSEE, a corporation organized under T.C.A. § 7-53-101 et seq., commonly known as the "Kingsport Economic Development Board" ("KEDB").

RECITALS:

- A. KEDB has previously acquired certain real property owned by General Shale Brick, Inc. consisting of approximately 98 acres designated on the Sullivan County Tax Assessor's Tax Maps as Tax Parcel 009.00 of Group F on Map 046P, City of Kingsport, 11th Civil District of Sullivan County, Tennessee (the "Property"), and has held the Property for development (the "Project").
- B. To finance KEDB's acquisition of the Property and development of the Project, First Horizon Bank's predecessor, First Tennessee Bank National Association (herein "First Horizon Bank") provided a loan to KEDB in the principal amount of \$4,000,000 (the "Acquisition and Development Loan").
- C. To assist KEDB in economic development, including the acquisition of the Property and the pursuit of the Project, the City has previously entered into a Contribution Agreement dated December

20, 2013 whereby the City agreed to assist KEDB in economic development by making certain payments for up to seven years as economic development contributions to KEDB (the "Contribution Agreement").

D. The Acquisition and Development Loan will mature on December 30, 2020 and First Horizon Bank has agreed to renew and extend the Loan subject to KEDB being able to demonstrate continued financial support from the City.

E. The Board of Mayor and Aldermen of the City has adopted Resolution No. 2020-_____ whereby the City will make certain payments for up to three (3) years as continued economic development contributions to KEDB, as set out herein.

F. The parties desire to execute this First Amendment to Contribution Agreement to satisfy the terms and conditions of the Resolution and the requirements of First Horizon Bank.

NOW, THEREFORE, in consideration of the foregoing premises, and in consideration of the parties' mutual covenants and undertakings set forth herein below, the City and KEDB do hereby mutually agree and contract with each other as follows:

1. **Renewal and Extension of Acquisition and Development Loan.** The City hereby acknowledges and agrees that, pursuant to KEDB's \$4,000,000 Renewal and Extension Promissory Note dated December 30, 2020, First Horizon Bank will renew and extend the Acquisition and Development Loan for a period of three years at a fixed rate of 2.15%, with a maturity date of December 30, 2023. Interest will be due and payable semi-annually beginning June 1, 2021 and December 1, 2021 and on each succeeding June 1 and December 1 thereafter, with all principal due and payable at maturity on December 30, 2023.

2. **Contribution Commitments by the City of Kingsport.**

(a) To support KEDB's acquisition and development of the Property and its ability to pay the debt service due under the Loan, the City hereby agrees to provide to KEDB contributions for economic development, beginning with the City's 2020-2021 fiscal year, in semi-annual contributions of \$43,000.00 each for three (3) years beginning on June 1, 2021 and December 1, 2021 and on each succeeding June 1 and December 1 thereafter. KEDB agrees to use such contributions to pay the interest payments due under the Loan from time to time.

(b) KEDB shall use all net proceeds realized from the sale of any portion of the Property to repay principal due under the Acquisition and Development Loan; provided, however, KEDB acknowledges that the City is not obligated to pay KEDB for the transfer of a portion of the Property by KEDB to the City for recreational use (the exact boundaries and acreage of such recreational area to be mutually determined by KEDB and the City).

(c) KEDB shall use all net proceeds realized from the lease of all or any portion of the Property to pay the interest payments due under the Acquisition and Development Loan from time to time.

(d) In the event a principal balance remains outstanding under the Acquisition and Development Loan at maturity, the City shall either: (i) purchase the Property (or the balance of the Property) from KEDB for a purchase price equal to the outstanding principal balance and any accrued interest then owed on the Loan, or (ii) provide an economic development contribution to KEDB in an amount sufficient to pay the outstanding principal balance and any remaining accrued interest then owed on the Acquisition and Development Loan. In either event, KEDB shall use such funds to retire the remaining balance of the Acquisition and Development Loan in full.

(e) Notwithstanding any other provision herein, the City's obligation to make such economic development contributions shall terminate when the Acquisition and Development Loan is paid in full.

3. **Security Interest and Pledge.** The City acknowledges and agrees that KEDB has heretofore assigned, pledged and granted to Lender a security interest in KEDB's rights under this Agreement as collateral for the Acquisition and Development Loan, and the City further agrees that Lender, as the assignee, pledgee and holder of such security interest, shall be entitled to enforce KEDB's rights under the Contribution Agreement and to apply the monies payable by the City under the Contribution Agreement toward the monies due under the Acquisition and Development Loan from time to time. In the event there is a default under the Acquisition and Development Loan, Lender shall be entitled to apply the proceeds so realized to satisfy the indebtedness under the Acquisition Loan and the Acquisition and Development Loan in such order and allocation as Lender may determine.

4. **No Personal Liability.** No member, director, officer, commissioner, elected representative, or employee, past, present or future, of the City, or KEDB, or any successor body, shall have any personal liability for the performance of any obligations of the City or KEDB, respectively, under this Agreement.

5. **Applicable Law.** This Agreement is made as a Tennessee contract and shall be construed and applied according to the laws of the State of Tennessee.

6. **No Other Amendments.** Except as set forth herein, there are no other amendments to the terms of the Contribution Agreement as originally executed.

IN WITNESS WHEREOF, the parties have caused this instrument to be executed by their respective duly authorized representatives as of the date first written hereinabove.

[Acknowledgements Deleted for Inclusion in this Resolution]

SECTION III. That the mayor is further authorized to make such changes approved by the mayor and the city attorney to the amendment/agreement set out herein that do not substantially alter the material provisions of the agreement, and the execution thereof by the mayor and the city attorney is conclusive evidence of the approval of such changes.

SECTION IV. That the board finds that the actions authorized by this resolution are for a public purpose and will promote the health, comfort and prosperity of the citizens of the city.

SECTION V. That this resolution shall take effect from and after its adoption, the public welfare requiring it.

AGENDA ACTION FORM

Reject All Bid(s) Related to the Purchase of Paratransit Vans for Urban Mass Transit

To: Board of Mayor and Aldermen
 From: Chris McCartt, City Manager *CM*

 Work Session: November 30, 2020
 First Reading: December 1, 2020

Final Adoption: December 1, 2020
 Staff Work By: Campbell, Hightower, Morelock
 Presentation By: Chris Campbell

Recommendation:

Approve the Resolution.

Executive Summary:

Bids were opened on October 28, 2020 for the purchase of 5 hightop paratransit vans to be used by the Kingsport Area Transit Service (KATS). The KATS' vehicle expansion/replacement plan was to:

- add two additional vehicles to the KATS' fleet and trade-in one van (years 2020-2021 - 3 vans).
- after the vehicles were delivered in late 2021, two other vans would be traded-in and delivered the next year (2022 – 2 vans).

Upon reviewing the bid replies, it became apparent that the vendors inadvertently believed all three replacement vans would be traded-in at the same time and that the option to purchase expansion vehicles would be at a later date. This caused errors in their overall pricing and trade-in allowance. Staff recommends rejecting all recently received van bids and re-bidding to clarify the project's needs.

Recommendation:

Approve Resolution rejecting bids.

Executive Summary:

The Planning Commission voted to recommend that real property located at 1725 Netherland Inn Road be declared surplus. After verifying no City Department had a need to retain the property, the City Recorder's Office declared the property surplus. The City Recorder's Office then advertised in the Times News on 10/04/2020 and accepted sealed bids on the property until October 23, 2020 @ 3:00 PM. The City received two (2) bids.

The City acquired this property in 1990 at a price of \$20,000. A recent independent appraisal conducted, valued the property at \$23,000.

Two bids were received which were substantially lower than the current property appraisal. City Staff recommends that the bids be rejected.

SCOPE OF APPRAISAL:

As of the date of the report, F. J. Brownell, III has completed the requirements of the continuing education program of the Appraisal Institute.

The Market Value definition is Fannie Mae's definition shown below:

The most probable price a property will bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently, knowledgeably, and assuming the property is not affected by undue stimulus. Implicit in this definition is the consummation of the sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for these costs which are normally paid by seller as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these cost in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms affected by a third party institutional lender that is not already involved in the property or transaction. Any adjustments should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

Data on the subject property is obtained from various sources including, but not limited to, inspection, the buyer, the public records of Sullivan County, surveys and plans. When appropriate, more than one source may be used to confirm data and the source may be stated in the report.

If applicable, comparable sales are inspected. When possible, market data is confirmed with buyer, seller, real estate broker, appraisers or attorneys and the tax records are reviewed to confirm their information.

All three approaches to value have not been utilized. The Cost Approach and Income Approach are not applicable and the client has requested only the Sales Comparison Approach. When appropriate, the scope of the appraisal is treated in more details elsewhere in the report. Further, the reader's attention is directed to the assumptions and limiting conditions of this appraisal.

The intended use of the report is to aid the client in making a decision regarding financing.

The intended user of this appraisal is the lender/client.

The report analyses, opinions and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Appraisal Institute's Code of Professional Ethics and Standards of Professional Appraisal Practice, which include the Uniform Standards of Professional Appraisal Practice.

Highest and Best Use: The subject is presently vacant land. The Highest and Best use of the site as vacant is to develop it with a wide range of business use conforming to present zoning. The logical best use of the subject property is improved with a business use.

Appraiser makes the extraordinary assumption there is no hazardous and/or toxic material's present on subject site. The appraiser's estimate of value assumes no such material is on or in the property that would cause a loss of value.

The use of an extraordinary assumption could affect the assignment results.

DEFINITION OF MARKET VALUE:

The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

* Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgement.

STATEMENT OF LIMITING CONDITIONS AND APPRAISER'S CERTIFICATION**CONTINGENT AND LIMITING CONDITIONS:**

The appraiser's certification that appears in the appraisal report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
2. The appraiser has provided a sketch in the appraisal report to show approximate dimensions of the improvements and the sketch is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size.
3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.
5. The appraiser has estimated the value of the land in the cost approach at its highest and best use and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.
6. The appraiser has noted in the appraisal report any adverse conditions (such as, needed repairs, depreciation, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.
7. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
8. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice.
9. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.
10. The appraiser must provide his or her prior written consent before the lender/client specified in the appraisal report can distribute the appraisal report (including conclusions about the property value, the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower; the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report only to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before the appraisal can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.

APPRAISER'S CERTIFICATION:

The Appraiser certifies and agrees that:

1. I have researched the subject market area and have selected a minimum of three recent sales of properties most similar and proximate to the subject property for consideration in the sales comparison analysis and have made a dollar adjustment when appropriate to reflect the market reaction to those items of significant variation. If a significant item in a comparable property is superior to, or more favorable than, the subject property, I have made a negative adjustment to reduce the adjusted sales price of the comparable and, if a significant item in a comparable property is inferior to, or less favorable than the subject property, I have made a positive adjustment to increase the adjusted sales price of the comparable.
2. I have taken into consideration the factors that have an impact on value in my development of the estimate of market value in the appraisal report. I have not knowingly withheld any significant information from the appraisal report and I believe, to the best of my knowledge, that all statements and information in the appraisal report are true and correct.
3. I stated in the appraisal report only my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the contingent and limiting conditions specified in this form.
4. I have no present or prospective interest in the property that is the subject to this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or the estimate of market value in the appraisal report on the race, color, religion, sex, handicap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property.
5. I have no present or contemplated future interest in the subject property, and neither my current or future employment nor my compensation for performing this appraisal is contingent on the appraised value of the property.
6. I was not required to report a predetermined value or direction in value that favors the cause of the client or any related party, the amount of the value estimate, the attainment of a specific result, or the occurrence of a subsequent event in order to receive my compensation and/or employment for performing the appraisal. I did not base the appraisal report on a requested minimum valuation, a specific valuation, or the need to approve a specific mortgage loan.
7. I performed this appraisal in conformity with the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place as of the effective date of this appraisal, with the exception of the departure provision of those Standards, which does not apply. I acknowledge that an estimate of a reasonable time for exposure in the open market is a condition in the definition of market value and the estimate I developed is consistent with the marketing time noted in the neighborhood section of this report, unless I have otherwise stated in the reconciliation section.
8. I have personally inspected the interior and exterior areas of the subject property and the exterior of all properties listed as comparables in the appraisal report. I further certify that I have noted any apparent or known adverse conditions in the subject improvements, on the subject site, or on any site within the immediate vicinity of the subject property of which I am aware and have made adjustments for these adverse conditions in my analysis of the property value to the extent that I had market evidence to support them. I have also commented about the effect of the adverse conditions on the marketability of the subject property.
9. I personally prepared all conclusions and opinions about the real estate that were set forth in the appraisal report. If I relied on significant professional assistance from any individual or individuals in the performance of the appraisal or the preparation of the appraisal report, I have named such individual(s) and disclosed the specific tasks performed by them in the reconciliation section of this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in the report; therefore, if an unauthorized change is made to the appraisal report, I will take no responsibility for it.

SUPERVISORY APPRAISER'S CERTIFICATION:

If a supervisory appraiser signed the appraisal report, he or she certifies and agrees that: I directly supervise the appraiser who prepared the appraisal report, have reviewed the appraisal report, agree with the statements and conclusions of the appraiser, agree to be bound by the appraiser's certifications numbered 4 through 7 above, and am taking full responsibility for the appraisal and the appraisal report.

Recommendation:

Approve the Resolution to amend Resolution No. 2021-027.

Executive Summary:

The City of Kingsport receives federal funding through the Community Development Block Grant program administered by the Department of Housing and Urban Development. In order to keep in line with surrounding communities, the City has created a Community Development Advisory Committee by approval of Resolution No. 2021-027.

The purpose of the amendment of Resolution No. 2021-027 is to specifically define the types of memberships which serve in an advisory capacity for planning and assessment of projects proposed or undertaken with Community Development Block Grant funds.

The committee will consist of five (5) members. First, a representative from the local faith-based community, traditionally the faith-based communities have taken the lead in serving those in need. Second, as members of the HOME Consortium, a representative of the First Tennessee Development District, administrators for the HOME Consortium programs, will be an asset for CDBG program management. Third, a member from the Kingsport Housing and Redevelopment Authority Board will serve as a representative of an organization who serves low/moderate income population. Finally, two representatives will serve as residents of the city at large, who serve in various roles that relate to the low/moderate income population of the City of Kingsport.

Re: City of Kingsport Refunding Plan 2020 – Reconciliation

Dear Ms. Knotts:

Pursuant to your “Report on Refunding Plan” to us dated August 28, 2020 (the “Report”), please be advised that the City’s \$14,925,000 General Obligation Refunding Bonds, Series 2020 (Federally Taxable) (the “Bonds”) were sold at competitive public sale on Monday, November 9, 2020.

In your Report, you directed that we notify your office if, prior to issuance, the actual results of any key metric were significantly different (i.e., greater or less than 10.0%) than those originally estimated in the City’s Refunding Plan.

In accordance with that requirement and with respect to the total costs of issuance, please be advised as follows:

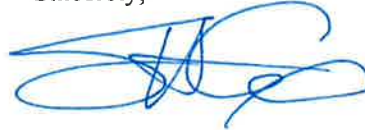

<u>Projected Savings</u>	<u>Actual</u>	<u>Net Difference</u>	<u>% Change</u>	<u>Reason</u>
\$1,276,325	\$1,140,205	(\$136,120)	(10.66%)	Significant upward movement in benchmark U.S. Treasury yields between August 21, 2020 and November 9, 2020 resulted in corresponding higher yields on the Bonds and less aggregate savings.

<u>Cost</u>	<u>Estimated Amount</u>	<u>Actual Amount</u>	<u>Net Difference</u>	<u>% Change</u>	<u>Reason</u>
Underwriter’s Discount	\$82,748	\$276,581	\$193,833	234.24%	Underwriter’s discount is determined by competitive bidding. The successful underwriter had the lowest true interest cost (“TIC”) of the eight bids received by the City. Exceptional volatility in the capital markets caused by COVID-19 news, uncertain election results, etc. evidently required the underwriter to build in an interest rate risk cushion to offset potential losses as market yields fluctuate.

We are aware of the differences in estimated costs and results. Since the results were attractive in spite of significant market volatility and uncertainty, we decided to proceed with the issuance of the Bonds as planned on November 20, 2020.

If you have any questions or need any additional information, please do not hesitate to contact me at your earliest convenience.

Sincerely,

Sidney H. Cox
Chief Financial Officer/Recorder
