

Storm Drain Art Contest 2022

The City of Kingsport Stormwater Department is seeking artists to paint five (5) storm drains. The goal of this project is to educate and communicate with the public about storm drains leading directly to our creeks and discourage anything except rain water from going down the storm drains. Through this art project, attention to storm drains in Kingsport will increase.

To Enter:

- Please send a color sketch of your proposed design around the storm drain.
- You may plan for your artwork to include the street, the sidewalk, or both.
- Text is encouraged as part of the design to help convey the educational message.
- Include your name, email, and phone number.
- Artists must be at least 12 years of age.

Please hand deliver, email or mail entries by **August 5, 2022** to:

Here are examples from previous years:

Five winners will be selected by the end of August. Paint will be provided - each artist will receive one quart of red, yellow, blue, white and black that may be mixed to create an individual palette. The five winning artists will receive a \$150 check upon completion of their artwork. Each artist and their storm drain art will be photographed and used for publicity by the City of Kingsport. The expected life span of the art is three years. Late entries will not be accepted. All submitted materials will become property of the City of Kingsport and will not be returned.
