KINGSPORT CITY SCHOOLS
FISCAL YEAR 2022-2023
BUDGET AMENDMENT NUMBER ONE

GENERAL PURPOSE SCHOOL FUNDS

ITEM ONE: SCHOOL SECURITY UPGRADES

The Board previously approved the purchase of storage devices for our school video surveillance system for \$180,713.88 and the replacement of video cameras at Robinson Middle School for \$68,430.99. The costs to replace the remaining cameras throughout Kingsport City Schools, that need replacement is \$724,562.91. There is currently a balance in a capital project established for this purpose of \$19,055. It had been previously planned to phase this project over the next few years. With the addition to the Unreserved Fund Balance in FY 2022, from excess sales tax revenues and unexpended salaries due to the Epidemiology grant, it is now being recommended that this project be completely funded and this equipment be ordered and installed as soon as possible.

It is recommended that the estimated revenue for Fund Balance Appropriations and the appropriations for Fund Transfers be increased by \$725,000 and that these funds be transferred to a capital project for School Security Upgrades. By appropriating this amount, we will have some funds available for miscellaneous expenses.

ITEM TWO: TENNESSEE ROOM AUDIO-VISUAL UPGRADES

The audio-visual equipment in the Tennessee Room is now over 10 years old and is in need of being upgraded. These upgrades will also give us the capability of televising Board of Education meetings as well as giving more flexibility and options for hosting and providing professional development activities. Preliminary estimates are in the \$75,000 - \$100,000 range. We will be working to develop specifications in order to bid these upgrades, but wanted to go ahead and have the funds appropriated to cover the costs.

It is recommended that the estimated revenue for Fund Balance Appropriations and the appropriations for Building Improvements be increased by \$100,000 to provide funding for audio-visual upgrades to the Tennessee Room.

GENERAL PROJECT FUND

SECURITY/TECHNOLOGY UPGRADES (GP2220)

This project currently as a balance of \$19,055. Funds in the amount of \$725,000 will be transferred from the General Purpose School Fund. This will provide funding to replace security cameras at all Kingsport City Schools that need replacement and will provide for miscellaneous expenses of approximately \$20,000. It is recommended that the estimated revenue for Transfers from the School Fund and appropriations for Other Equipment be increased by \$725,000.

AGENDA ACTION FORM

A Resolution to Opt-In to the Extended Hours for the Sale of Alcohol Beverages and Beer

To: Board of Mayor and Aldermen
 From: Chris McCartt, City Manager *CM*

 Work Session: July 18, 2022

Final Adoption: July 19, 2022

Recommendation:

Approve the resolution.

Executive Summary:

The Kingsport Beverage Board has recommended the board opt into the extended hours for the sale of alcoholic beverages and beer to allow sales to commence at 10:00 a.m. on Sundays.

In 2000, the General Assembly passed public chapter 819 which permitted the Tennessee Alcoholic Beverage Commission (TABC), through its rule making authority, to establish hours for the sale of alcoholic beverages on Sunday. The TABC adopted a rule which permitted sales to begin at 10:00 a.m. and this rule was adopted by the General Assembly. However, public chapter 819 allowed municipalities to "opt out" of the extended hours.

On October 2, 2001, the board approved Resolution No. 2002-049 which opted out of the extended hours for the sale of alcoholic beverages and beer in the City of Kingsport thus retaining the prohibition on sales between 3:00 a.m. and 12:00 p.m.

Since then, there have been changes to the state's alcoholic beverage and beer laws. For instance Tennessee Code Annotated permits the sale of wine in grocery stores beginning at 10:00 a.m. on Sundays.

Members of the Kingsport Beverage Board have received requests to extend the hours of the sale of beer on Sunday morning to align the sale of beer with the sale of wine in grocery stores (10:00 a.m.) as well as make beer sales in the city more comparable with surrounding municipalities.

The Kingsport Beverage Board, at its meeting on July 5, 2022, voted to recommend the board change the hours for beer sales on Sunday mornings from 12:00 p.m. to 10:00 a.m.

RESOLUTION NO. _____

A RESOLUTION TO OPT-IN AND ADOPT THE EXTENDED
HOURS FOR THE SALE OF ALCOHOLIC BEVERAGES AND
BEER WITHIN THE CITY OF KINGSPORT, TENNESSEE

WHEREAS, in November, 2000 the General Assembly adopted the proposed rule of the Tennessee Alcoholic Beverage Commission, pursuant to Tennessee Code Annotated section 57-4-203(d)(5), to permit the sales of alcoholic beverages and beer on Sundays at 10:00 a.m.; and

WHEREAS, municipalities were granted the authority under Tennessee Code Annotated section 57-4-203(d)(5) to opt out of these extended hours which the board did through its passage of Resolution No. 2002-049 on October 2, 2001, thereby retaining the prohibited hours for sale of 3:00 a.m. until 12:00 p.m.; and

WHEREAS, Tennessee Code Annotated Section 57-4-203(d)(5) permits municipalities to adopt a resolution to opt into the extended hours on Sundays and thereby permit sales of alcoholic beverages and beer on Sunday after 10:00 a.m.; and

WHEREAS, based on the various changes to the state's alcoholic beverages and beer laws since 2001, the city desires to opt-in to the extended hours, to permit sales of alcoholic beverages and beer after 10:00 a.m. on Sunday mornings.

Now therefore,

BE IT RESOLVED BY THE, BOARD OF MAYOR AND ALDERMAN AS FOLLOWS:

SECTION I. That Resolution No. 2002 – 049 through which the Board of Mayor and Aldermen opted out of the extended hours for the sale of alcoholic beverages and beer is hereby rescinded.

SECTION II. That pursuant to the authority granted by Tennessee Code Annotated section 57-4-203(d)(5), the City of Kingsport hereby opts-in and adopts the extended hours for sale approved by the Alcoholic Beverage Commission for the sale of alcoholic beverages- liquor, wine and beer after 10:00 a.m. on Sundays.

SECTION III. That the board finds that the actions authorized by this resolution are for a public purpose and will promote the health, comfort and prosperity of the citizens of the city.

SECTION IV. That this resolution shall take effect from and after its adoption, the public welfare requiring it.

**REPORT & RECOMMENDATION
OF THE KINGSPORT BEVERAGE BOARD**

TO: BOARD OF MAYOR AND ALDERMAN
FROM: KINGSPORT BEVERAGE BOARD
RE: EXPANSION OF SUNDAY HOURS OF OPERATION

A request was made for the Kingsport Beverage Board to expand the permitted hours for sales on Sundays by beer permit holders. Currently, *Kingsport Code of Ordinances* Section 6-218 prohibits beer sales between the hours of 3:00 a.m. and 12:00 noon on Sundays. All other days beer sales are prohibited between 3:00 a.m. and 8:00 a.m. These prohibited hours apply to both on-premise and off-premise sales.

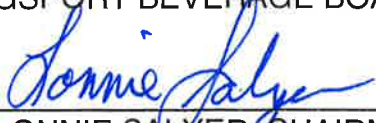

Upon a thorough consideration of the matter it is the recommendation of the Kingsport Beverage Board to amend the code of ordinances so as to only prohibit beer sales from 3:00 a.m. until 10:00 a.m. on Sundays.

Expanding the Sunday hours would permit beer sales during those hours when wine is available in retail food stores. Pursuant to Tennessee Code Annotated 57-3-811 wine is permitted to be sold between 10:00 a.m. and 11:00 p.m.

Additionally, this change would more closely align the hours during which sales are permissible with surrounding municipalities.

In addition to amending the code of ordinances a resolution would also be required to "opt in" to the expanded hours under Tennessee law. In 2001 the Board of Mayor and Aldermen adopted Resolution No. 2002-049 which opted the city out of the expanded hours and prohibited sales before 12:00 noon on Sundays. Tennessee Code Annotated 57-4-203(d)(5) permits a municipality to reverse its prior decision by passage of a resolution.

Consideration of an Ordinance to Amend Section 6-218 of the City Code to Change the Hours of Beer Sales

To: Board of Mayor and Aldermen

Recommendation:

Approve the ordinance.

Executive Summary:

The Kingsport Beverage Board has recommended the code of ordinances be amended the hours for the sale of beer on Sunday.

Pursuant to Tennessee Code Annotated section 57-4-203(d)(5), the board passed Resolution No. 2002-049 which had the effect of opting out of extended hours for sale of alcoholic beverages and beer. As a result beer sales were prohibited from 3:00 a.m. until 12:00 p.m.

Since the passage of Resolution No. 2002-049 there have been various changes to the state's alcoholic beverage and beer laws.

Based on citizen requests to align the sale of beer with the sale of wine in grocery stores and in order to make beer sales in Kingsport more comparable with surrounding jurisdictions the Kingsport Beverage Board, at its meeting on July 5, 2022, voted to recommend the Board of Mayor and Aldermen changing the hours of beer sales on Sunday mornings from 12:00 p.m. to 10:00 a.m.

This Ordinance along with the passage of a resolution to opt-in to the extended hours will effectuate that request.

Recommendation:

- Approve ordinance amending the zoning ordinance for the Fieldcrest Annexation

Executive Summary:

This is an owner-requested annexation of approximately 200 acres located off Fieldcrest Road and Catawba Lane. The proposed zoning for the annexation site consists of the PD (Planned Development), R-3 (Low Density Apartment), R-5 (High Density Apartment), and B-1 (Neighborhood Commercial) districts. The purpose of the annexation is to accommodate development of 1,050 proposed residential units on the site. Opposition was received from one adjacent property owner during the Planning Commission meeting as part of the public comment period for this item. The opposing comments identified the annexation area as rural in nature, acknowledged close proximity of the new county high school, and addressed added traffic to the area. This is a non-contiguous annexation which is allowable per TCA 6-51-104(d) which also requires that a mutual aid agreement be approved by the BMA and County Commission for emergency services and road maintenance for the property between the existing city limits and the annexation site. During their May 2022 regular meeting, the Kingsport Regional Planning Commission voted to send a favorable recommendation for the annexation, zoning, and plan of services to the Board of Mayor and Aldermen by a vote of 7-0. The notice of public hearing was published on June 5, 2022.

WHEREAS, School System recognizes that offering mental health and/or other counseling services on-site provides significant benefits to the students without substantial disruption to the educational process.

WHEREAS, Provider is a provider of children and adolescent behavioral health services and has the necessary qualifications, experience, and abilities to provide behavioral health services to students at the following locations: Dobyns-Bennett HS, Ross N. Provider will maintain valid licensure and/or credentials and agrees to keep licensure and/or credentials in good standing at all times during the term of this Agreement. In the event that Contractor's licensure and/or credentials are revoked, suspended, invalidated, and/or terminated during the Agreement term, it must notify School System immediately upon such revocation, suspension, invalidation, and/or termination.

11. Confidentiality of Records: Provider shall comply with the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g, et seq.; 34 CFR Part 99). Provider acknowledges that the requirements and terms set forth under FERPA are additional terms under this Agreement and, therefore, fully incorporated herein and made a part hereof. Provider will adhere to requirements as established by School System policies and procedures and FERPA, as specified in 34 C.F.R. Part 99.30, for disclosure of "educational records."

12. WHEREAS, Tri-Cities United (TRIC) has worked with the city to organize and operate recreational soccer programs and to provide competitive soccer opportunities within the region, and in recent years their primary facility for program operations has been Eastman Park at Horse Creek; and

WHEREAS, previously the city has granted TRIC concession rights to sell food, refreshments, confectionary and beverages at Eastman Park at Horse Creek; and

WHEREAS, staff recommends the city again enter into an agreement with TRIC granting concession rights for the term of July 1, 2022 through June 30, 2023, at Eastman Park at Horse Creek.

Now therefore,

BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN AS FOLLOWS:

SECTION I. That a concession agreement with Tri-Cities United Eastman Park at Horse Creek is approved.

SECTION II. That the mayor, or in his absence, incapacity, or failure to act, the vice-mayor, is authorized and directed to execute, in a form approved by the city attorney and subject to the requirements of Article X, Section 10 of the Charter of the City of Kingsport, the Tri-Cities United Eastman Park at Horse Creek, to deliver the agreement and take any and all action as may be required on the part of the city to carry out, give effect to, and consummate the transactions contemplated by the agreement and this resolution, said agreement being as follows:

CONCESSION LEASE AGREEMENT

This Agreement made and entered into this ____ day of _____ 2022, by and between the City of Kingsport, a municipal corporation of the State of Tennessee, hereinafter called LESSOR, AND Tri-cities United, hereinafter called CONCESSIONAIRE.

W-I-T-N-E-S-S-E-T-H

That for and in consideration of \$50.00 per season, to be paid seasonally by CONCESSIONAIRE TO LESSOR, LESSOR does hereby lease unto CONCESSIONAIRE for the period of July 1, 2022, through June 30, 2023, the concession rights for the sale of food, refreshments, confectionery and beverages at the soccer fields at 2969 Sullivan Gardens Parkway.

CONCESSIONAIRE agrees to and shall abide by the following conditions:

1. CONCESSIONAIRE will be responsible for furnishing all the equipment, food supplies or other items offered for sale, and any other incidentals necessary for the operation of the concession. CONCESSIONAIRE shall be responsible for the maintenance of its equipment to insure that it is in a safe and usable condition at all times, and shall provide at its own cost a sufficient number of employees to serve the public promptly and in a manner satisfactory to the Parks and Recreation Manager. CONCESSIONAIRE agrees not to sublet or sublease in any form the concession rights or assign this agreement.

2. LESSOR'S Parks and Recreation Manager (hereinafter "Parks and Recreation Manager") shall approve all items offered under this Agreement and shall approve all prices charged to the public.
3. LESSOR retains all pouring rights for beverages and CONCESSIONAIRE agrees to honor such, and will not do anything that would violate such pouring rights, including concessions or advertising.
4. CONCESSIONAIRE shall agree to comply with and abide by all rules regulating the operation of the park and the hours of operation of the concession shall coincide with the hours of the park in agreement with the Parks and Recreation Manager.
5. CONCESSIONAIRE shall furnish all labor and other materials necessary to maintain the concession in a clean, orderly and inviting condition that shall be satisfactory to the Parks and Recreation Manager; and this shall include the area immediately surrounding the concession area. In addition, at the end of each day, CONCESSIONAIRE shall be responsible for keeping the designated eating and shelter area free of all trash and litter by placing it in a dumpster.
6. LESSOR will furnish lights, power, and water in such locations where these utilities now exist. All additional installations which require the use of these utilities shall be made and maintained at the expense of CONCESSIONAIRE and upon the approval of the Parks and Recreation Manager.
7. Any alterations, repairs, or additions to the building area occupied by CONCESSIONAIRE must be approved in advance by the Parks and Recreation Manager. LESSOR shall make all ordinary and reasonable repairs to preserve the building occupied by CONCESSIONAIRE.
8. It shall be the obligation of CONCESSIONAIRE to secure or obtain all permits and licenses required by law for the operation of the concession and the sale of approved merchandise.
9. CONCESSIONAIRE shall comply with all ordinances of the City of Kingsport, Sullivan County, and the State of Tennessee, and shall comply with all applicable State and Federal rules and regulations concerning the serving of food, hours of work, pay and equal employment of personnel without discrimination as to race, color, age or sex.
10. LESSOR shall have the right of inspection and audit at all times during regular business hours. A violation of any provisions of this agreement shall work a forfeiture of this agreement, and the City may take possession on a twenty-four (24) hour notice.
11. CONCESSIONAIRE may voluntarily terminate the agreement upon five (5) days written notice to the City.
12. CONCESSIONAIRE will provide Commercial General Liability Coverage. At all times during the Term of this Agreement, CONCESSIONAIRE will maintain in full force and effect policies of contractual and commercial general liability insurance, including public liability and broad form property damage, for not less than a Combined Single Limit for Bodily Injury (including death), Property Damage, and Personal Injury Liability of \$1,000,000 per occurrence and \$2,000,000 aggregate. Such policy or policies shall name LESSOR as an additional insured thereunder. All of such insurance shall insure the performance by CONCESSIONAIRE of its indemnity agreement as to liability for injury to or death of persons and injury or damage to property. All of such insurance shall be primary and noncontributing with any insurance which may be carried by LESSOR and shall contain a provision that LESSOR, named or not named as an insured, shall nevertheless be entitled to recover under said policy for any loss, injury or damage to LESSOR, its agents and employees or the property of such persons, by reason of the negligence of CONCESSIONAIRE. Such policy shall expressly provide that such policy shall not be canceled or altered without thirty (30) days prior written notice to LESSOR. LESSOR shall be named as an additional insured on all such policies. CONCESSIONAIRE shall, before using transportation services, provide LESSOR with a certified copy of the policies of insurance, declaration page and all endorsements thereto, required by this Agreement, and which endorsements must provide LESSOR the coverage set out herein and be acceptable to LESSOR.
13. CONCESSIONAIRE also shall provide LESSOR with a certificate of insurance for each policy required under this Agreement showing that the coverages required hereunder are in force with premiums paid and that such policies are non-cancellable and may not be materially modified except upon thirty (30) days prior notice to LESSOR (or, if such thirty (30) day period of notice is not obtainable on a commercially reasonable basis, upon such notice as is commercially reasonable). Additionally, CONCESSIONAIRE shall provide certified copies of the policies of insurance required by this Agreement and all endorsements thereto when requested by LESSOR, but no less than annually during the term of this Agreement. All insurance provided for in this Section, and all renewals thereof, shall be issued by responsible insurance companies authorized to do business in the State of Tennessee. If any insurer which has issued a policy of insurance required pursuant to this Agreement becomes insolvent or the subject of any bankruptcy, receivership or similar proceeding, CONCESSIONAIRE shall, in each instance, obtain a like policy issued by another insurer, which insurer and policy meet the requirements of this Agreement.

14. CONCESSIONAIRE shall indemnify, defend and hold harmless LESSOR, its officers, employees and agents from any and against any and all suits, actions, or claims of every kind or nature whatsoever, foreseen or unforeseen, known or unknown that arises out of, or is any way related to the acts or the failure to act in whole or in part, by CONCESSIONAIRE or its agents, volunteers, or employees in the use of the Facilities or arising out of obligations of CONCESSIONAIRE as set forth in this Agreement.

[Acknowledgements Deleted for Inclusion in this Resolution]

SECTION III. That the mayor is further authorized to make such changes approved by the mayor and the city attorney to the agreement set out herein that do not substantially alter the material provisions of the agreement, and the execution thereof by the mayor and the city attorney is conclusive evidence of the approval of such changes.

SECTION IV. That the board finds that the actions authorized by this resolution are for a public purpose and will promote the health, comfort and prosperity of the citizens of the city.

Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to states and units of local government. BJA will award JAG Program funds to eligible units of local government as described in this FY 2022 JAG Program Local Solicitation.

For more information on the JAG Program, please refer to the [JAG Fact Sheet](#) and/or [JAG Frequently Asked Questions \(FAQs\)](#).

Statutory Authority: The JAG Program is authorized by Title I of Pub. L. No. 90-351 (generally codified at [34 U.S.C. 10151-10726](#)), including subpart 1 of part E (codified at 34 U.S.C. 10151-10158); see also 28 U.S.C. 530C(a).

Specific Information

Statutory Formula

JAG awards are based on a statutory formula that is fully described within the [JAG Technical Report](#). Once each fiscal year's overall JAG Program funding level is determined, BJA works with the Bureau of Justice Statistics to begin a four-step grant award calculation process, which, in general, consists of:

1. Computing an initial JAG allocation for each state, based on its share of violent crime and population (weighted equally).
2. Reviewing the initial JAG allocation amount to determine if the state allocation is less than the minimum award amount defined in the JAG legislation (0.25 percent of the total). If this is the case, the state is funded at the minimum level, and the funds required for this are deducted from the overall pool of JAG funds. Each of the remaining states receives the minimum award plus an additional amount based on its share of violent crime and population.
3. Dividing each state's final award amount (except for the territories and the District of Columbia) between the state and its units of local governments at rates of 60 and 40 percent, respectively.
4. Determining units of local government award allocations, which are based on their proportion of the state's 3-year violent crime average. If the "eligible award amount" for a particular unit of local government, as determined on this basis, is \$10,000 or more, then the unit of local government is eligible to apply directly to OJP (under the JAG Local Solicitation) for a JAG award. If the "eligible award amount" for a particular unit of local government, as determined on this basis, is less than \$10,000, however, the funds are not made available for a direct award to that particular unit of local government, but instead are added to the amount that is awarded to the state.

Allocation Determination and Units of Local Government Requirements Regarding Use of JAG Funds

Eligible allocations under JAG are posted annually on the [JAG web page](#).

According to the JAG Program statute, a "disparity" may exist between the funding eligibility of a county and its associated municipalities. See [34 U.S.C. § 10156\(d\)\(4\)](#). Units of local government identified by BJA as disparate must select a fiscal agent that will submit a joint application for the allocation to include all disparate municipalities. A memorandum of understanding (MOU) that identifies which jurisdiction will serve as the applicant or fiscal agent for joint funds must be completed and signed by the authorized representative for each participating jurisdiction. Once an award is made, the fiscal agent will be responsible for distributing award funds to the other jurisdictions in the disparate group through subawards that include all appropriate award conditions. To verify eligibility on the [JAG web page](#), an applicant should click on its respective state and note the following regarding the state's allocation table:

1. Disparate units of local government are listed in shaded groups, in alphabetic order by county. Units of local government identified as disparate must select one unit of local government to submit an application on behalf of the disparate group.
2. Counties that have an asterisk (*) under the "Direct Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required MOU.
3. Direct allocations are listed alphabetically below the shaded disparate groupings.

Please note that disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and documenting individual allocations in the MOU.

Statutory Program Areas

In general, JAG funds awarded to a unit of local government under the FY 2022 program may be used to hire additional personnel and/or purchase equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice, including for any one or more of the following program areas:

- Law enforcement programs
- Prosecution and court programs
- Prevention and education programs
- Corrections and community corrections programs
- Drug treatment and enforcement programs
- Planning, evaluation, and technology improvement programs
- Crime victim and witness programs (other than compensation)
- Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams

Note that the statute defines "criminal justice" as "activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including, but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies, and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency."

BJA Areas of Emphasis

BJA recognizes that many state and local criminal justice systems currently face challenging fiscal environments and an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, and local law enforcement. Key areas of priority for BJA include: Combatting Hate Crime, Promoting Public Trust between Communities and Criminal Justice Agencies, Reducing Violent Crime, Community Violence Intervention (CVI), Addressing COVID-19 Criminal Justice Challenges and Sustaining Innovations, and Crime Analysis and Investigation. BJA encourages each recipient of FY 2022 JAG funds to join federal law enforcement agencies in addressing these challenges. Additional details on the BJA areas of emphasis can be found below:

Combatting Hate Crime: Hate crimes (sometimes called bias-motivated crimes) are criminal offenses motivated by some form of bias toward victims on the basis of their perceived or actual race, color, religion, national origin, sexual orientation, gender, gender identity, or disability. As noted in the [June 21, 2021, BJA Acting Director Mahoney Letter to JAG State Administering Agency \(SAA\) Directors](#) and the [January 26, 2022, DOJ Associate Attorney General Gupta Letter to SAA Directors](#), JAG funds may be used to prevent and respond to hate crimes and bias-motivated attacks. BJA encourages JAG recipients to utilize funding to prioritize efforts to identify, investigate, report, and prevent hate crimes and hate incidents; increase public awareness and expand/enhance the reporting of hate crimes; enhance the capacity of law enforcement and prosecutors to prevent and address hate crimes through education, training, and tools to investigate and prosecute hate crime cases; increase collaboration between federal, state, local, tribal, and territorial

(SLTT) law enforcement and prosecution agencies in their investigation and prosecution of hate crimes; assist SLTT law enforcement with training in identifying and classifying hate crimes and update these crimes in their entries in the National Incident-Based Reporting System (NIBRS); create state-run hate crime reporting hotlines that direct individuals to law enforcement, if appropriate; and fund victim support services. More information on BJA's hate crimes portfolio, including the [Emmett Till Cold Case Investigations](#) and [Matthew Shepard and James Byrd, Jr. Hate Crimes](#) programs, can be found at [Hate Crime | Bureau of Justice Assistance \(ojp.gov\)](#).

Promoting Public Trust between Communities and Criminal Justice Agencies: For many communities, recent high profile incidences of excessive uses of force have contributed to strained relationships and a lack of confidence in law enforcement, courts, and prosecutors. Justice system practitioners' ability to address crime and collaborate with the public depends on having trust and legitimacy with the communities they serve. Criminal justice agencies must work together to renew and strengthen relationships with community members and leaders in order to elevate public confidence and trust in law enforcement, the courts, prosecutors, defense counsel, and corrections; reduce crime; and ensure that the rights of all are protected. In his January 21, 2022, [remarks to the U.S. Conference of Mayors](#), Attorney General Garland stated, "...promoting public trust between communities and law enforcement is essential to making both communities and policing safer. The department will continue to fulfill its duty to ensure the constitutional policing practices that promote the accountability necessary to build that public trust." As such, BJA encourages SLTT jurisdictions to utilize JAG funding in support of projects that aim to partner police and community organizations and advance constitutional policing practices that create the transparency and accountability necessary to build public trust. The practices include, but are not limited to: eliminating racial profiling and implicit bias, eliminating excessive force and chokeholds, eliminating "no-knock" warrants in drug cases, eliminating contractual arrangements that prevent investigations of law enforcement misconduct, and prohibiting sexual contact between police and persons in their custody. BJA also encourages SLTT jurisdictions to utilize JAG funding in support of projects that aim to increase trust and confidence in prosecutorial, defense, and court practices such as neighborhood-focused [community courts](#) programs and building capacity and tools to protect constitutional rights under the [Sixth Amendment](#).

Reducing Violent Crime: Although the Federal Bureau of Investigation (FBI) [Uniform Crime Report](#) (UCR) *Crime in the United States* publications for 2020 and 2021 are not yet available, there are other indicators to suggest that certain types of violent crime increased in many areas. According to an analysis of 27 cities conducted by the [Council on Criminal Justice](#), incidents of homicide increased 5 percent over 2020, which had already seen a 44 percent increase in homicides over 2019. Also, preliminary data compiled by the [National Law Enforcement Officers Memorial Fund \(NLEOMF\)](#) indicates that as of December 31, 2021, 458 federal, state, tribal, and local law enforcement officers died in the line of duty in 2021. This is an increase of 55 percent from the 295 officers killed during the same period in 2020 and is the highest total line-of-duty officer deaths since 1930 when there were 312 fatalities. In addition, the past year has seen an unprecedented increase in threats of violence against Americans who administer the election process in our country.

In June of 2021, the Biden-Harris Administration announced a [Comprehensive Strategy to Prevent and Respond to Gun Crime and Ensure Public Safety](#) to stem the flow of firearms used to commit violence including by holding rogue firearms dealers accountable for violating federal laws; supporting local law enforcement with federal tools and resources to help address summer violent crime; investing in evidence-based community violence interventions; expanding summer programming, employment opportunities, and other services and supports for teenagers and young adults; and helping formerly incarcerated individuals successfully reenter their communities.

Recognizing that violent crime and the drivers of that crime vary from community to community, BJA encourages JAG grantees to invest funds to tailor programs and responses to state and local crime issues through the use of data and analytics; coordinate with United States Attorneys and Project Safe Neighborhoods grantees in order to leverage funding for violence reduction projects, and coordinate their law enforcement activities with those of federal law enforcement agencies such as the FBI, the Bureau of Alcohol, Tobacco, Firearms, and Explosives, the Drug Enforcement Administration, the United States Marshals Service, and the Department of Homeland Security (DHS); and form partnerships with federal, state, and local law enforcement and prosecutors to identify persons who use guns in the commission of a

crime and who purchase or sell guns illegally. This includes ensuring that persons prohibited from purchasing firearms (see e.g., 18 U.S.C. § 922(g)) are deterred from doing so by enhancing complete, accurate, and timely access to the FBI's National Instant Criminal Background Check System (NICS) and the submission of all necessary records to the FBI databases in a timely fashion, thereby helping to prevent illegal transfers of firearms to those who are prohibited from owning firearms under current law.

In addition, in June 2021, DOJ issued guidance regarding threats against election workers and a [task force](#) to address the rise in such threats. BJA also sent a [letter to SAA Directors](#) to address the rise in such threats. BJA also sent a letter to SAA Directors clarifying that JAG funds can be used to deter, detect, and protect against threats of violence against election workers, administrators, officials, and others associated with the electoral process. BJA encourages JAG recipients to utilize funds to prevent and respond to violent threats of this kind.

Community Violence Interventions: In April 2021, the [Biden-Harris Administration announced historic investments in community violence intervention \(CVI\)](#) efforts to combat the gun violence epidemic. CVI is an approach that uses evidence-informed strategies to reduce violence through tailored, community-centered initiatives. These multidisciplinary strategies engage individuals and groups to prevent and disrupt cycles of violence and retaliation and establish relationships between individuals and community assets to deliver services that save lives, address trauma, provide opportunity, and improve the physical, social, and economic conditions that drive violence. CVI strategies typically focus on high risk individuals and gang and gun violence, as well as the historical and structural challenges that often contribute to community violence. CVI strategies should involve holistic, coordinated interventions attending to the multiple needs of individuals at high risk of gang and gun violence. For example, hospital-based violence intervention programs use credible messengers to connect with victims of gun violence while they are still in the hospital, and then wraparound services are typically deployed such as behavioral health supports, employment access, housing advocacy, and family supports. visit <https://bjaoip.gov/program/community-violence-intervention/overview>. BJA encourages JAG recipients to invest JAG funds to tailor programs and responses to CVI in an effort to build strong, sustained partnerships with community residents and organizations to support CVI work in communities most impacted by violent crime. CVI strategies will be highlighted on [BJA's National Training and Technical Assistance Center \(NTTAC\) website](#), and jurisdictions looking to implement those strategies can request training and technical assistance (TTA) on the [NTTAC website](#).

Addressing COVID-19 Criminal Justice Challenges and Sustaining Innovations: As a result of the COVID-19 pandemic, SLTT criminal justice agencies implemented various community mitigation policies to prevent and reduce the spread of COVID-19. Courts at every level were forced to cancel or significantly scale back proceedings, which commonly included suspending in-person hearings, granting extensions of court deadlines and waivers of speedy trials, restricting access to court buildings, and postponing jury trials. This created a backlog of cases, which impacted criminal court operations and court staff, victims, and witnesses, as well as defendants. To address backlogs and other consequences of the necessary mitigation policies, SLTT agencies created innovative ways to administer justice. While many of these innovations had an up-front cost, they hold significant potential to be cost saving and efficient over time. For example, correctional facilities have enabled virtual programming, education, medical appointments, and family visits, as well as efforts to reduce incarcerated populations. Police departments have hosted virtual community engagement events and opportunities, and courts and community corrections have increased the use of virtual staffing, status hearings, client visits, and access to treatment and support services. In addition, resources have supported the purchase of technology like headsets and Wi-Fi hotspots to ensure confidentiality of defense counsel with clients, as well as partnerships with community partners to host outdoor events like drug court graduations. It is important for SLTT agencies to sustain innovations that improved both the efficiency and effectiveness of justice system operations, and BJA encourages JAG recipients to utilize funds for continued innovation sustainment activities and to continue to address the backlog of cases. This could include the purchase of technology to enhance the use of virtual tools to conduct outreach to witnesses and defendants, as well as for hearings and status conferences, staffing, and enhancing access to services; resources to assist the jurisdiction to develop or enhance its case management system to assess and work to eliminate the backlog of cases; building tools to support diversion and alternatives to incarceration as part of the review of backlogged cases; and technology and equipment to retrofit court houses and staff to mitigate risks to staff and those coming to court. In addition to

or in conjunction with support for technology, BJA encourages SLTT agencies to address backlogs by instituting triage and other case-processing improvements, including diversion practices, by prosecutors and courts pretrial, as well as the implementation of legal and nonlegal navigators to guide and support defendants through the legal process.

Crime Analysis and Investigation: With the recent increases in violent crime, crime analysis and investigations have become increasingly vital. Law enforcement agencies that have robust analysis capabilities are better able to focus their limited resources in ways that directly improve public safety while protecting the rights of civilians. According to the [International Association of Crime Analysts \(IACA\)](#), "Crime analysis is both a profession and a set of techniques." The professionals who perform crime analysis, and the techniques they use, are dedicated to helping law enforcement agencies become more effective through the use of relevant metrics, information, and analytical practices.

This past year, ransomware has emerged as an international challenge affecting public sectors, private sectors, and even individuals. According to Cybersecurity and Infrastructure Security Agency (CISA) [Alert \(AA22-040A\)](#), "ransomware tactics and techniques continued to evolve in 2021, which demonstrates ransomware threat actors' growing technological sophistication and an increased ransomware threat to organizations globally." To combat this growing threat, DOJ, DHS, and other federal partners have launched a centralized repository of resources for organizations and individuals at [StopRansomware.gov](#). This is a collaborative effort across the federal government and is the first joint website created to help private and public organizations mitigate their ransomware risk.

BJA encourages JAG recipients to utilize funds to support crime analysis efforts, including the hiring of cybercrime analysts and investigators, as well as cybercrime training for state or local law enforcement and emergency dispatch personnel. Recipients utilizing grant funds to support technological devices, artificial intelligence, predictive analytics, and other data-driven solutions ("Technological enhancements") directly should ensure those projects address the tenants of digital trust to include: how the technology will be carefully implemented through training of personnel and the setting and enforcement of policies governing its use to ensure that it contributes to positive outcomes for public safety, the community and/or the criminal justice system; and how the recipient will safeguard privacy, civil rights, and civil liberties throughout the duration of the project period.

Additional Uses of JAG Funds

JAG funds awarded under this FY 2022 solicitation may be used to:

- Enforce state and local laws that establish offenses similar to offenses established in 21 U.S.C. § 801 et seq. and/or improve the functioning of the criminal justice system, with emphasis on violent crime and serious offenses, by providing additional personnel, equipment, training, technical assistance, and information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate these laws and assist the victims of such crimes (other than compensation).
- Support projects related to preventing, detecting, seizing, and/or stopping the presence and use of contraband cellphones within correctional facilities. This includes the purchasing of managed access systems and other mitigation technologies (as permitted by applicable law).
- Purchase fentanyl and methamphetamine detection equipment, including handheld instruments and training for law enforcement safety, as well as opioid reversal agents.
- Purchase drug-detection canines to combat the rise in drug trafficking, including that of methamphetamines.
- Support efforts to seal and expunge criminal history information in accordance with state laws and policies.
- Support efforts to attract and retain an all-inclusive, diverse, expert, and accountable law enforcement workforce.
- Support virtual reality de-escalation training.
- Purchase humane remote restraint devices that enable law enforcement to restrain an uncooperative subject without requiring the infliction of pain.
- Purchase gunfire detection technology.
- Additionally, JAG funds awarded under this FY 2022 solicitation may be used for any purpose indicated here: [Purposes for Which Funds Awarded under the Edward Byrne Memorial Justice Assistance Grants \(JAG\) Program May Be Used \(ojp.gov\)](#).

Limitations on the Use of JAG Funds

Administrative Costs

Up to 10 percent of a JAG award, including up to 10 percent of any earned interest, may be used for costs associated with administering the award, which can include indirect costs.

Supplanting

JAG funds may not be used to supplant state or local funds, but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available. See the [JAG FAQs](#) for examples of supplanting. Although supplanting is prohibited, the leveraging of federal funding is encouraged.

Matching Funds

Absent specific federal statutory authority to do so, JAG award funds may not be used as a match for other federal awards.

Prohibited Expenditures and Associated Procedures under JAG

The JAG statute, at [34 U.S.C. § 10152\(d\)](#), specifically identifies a list of prohibited items. JAG funds provided under this part may NOT be used, directly or indirectly, to provide any of the following: (1) Any security enhancements or any equipment to any nongovernmental entity that is not engaged in criminal justice or public safety. (2) Unless the Attorney General certifies that extraordinary and exigent circumstances exist that make the use of such funds to provide such matters essential to the maintenance of public safety and good order:

- Vehicles, vessels, or aircraft*
- Luxury items
- Real estate
- Construction projects (other than penal or correctional institutions)
- Any similar matters

*Police cruisers, police boats, and police helicopters are allowable vehicles under JAG and do not require BJA certification. For purposes of JAG, a vehicle is considered a "police cruiser" only if it is used in the ordinary course for routine police patrol within the United States. Vehicles (including motorcycles, SUVs, and ATVs) used as "police cruisers" are not prohibited under JAG, and therefore may be acquired with JAG funds in the ordinary course, to the extent otherwise allowable under the award. For more information, please see the "prohibited expenditure list" at: [JAG Prohibited and Controlled Expenditures Guidance](#).

Please refer to the [JAG FAQs](#) for details on how to request prior approval (a waiver) from BJA to utilize JAG funds for prohibited item(s).

Note: The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and/or any accompanying accessories to support UAS or UAV devices/systems, is unallowable.

Other Program Requirements

A unit of local government that applies for and receives an FY 2022 JAG award must note the following:

Trust Fund — Units of local government may draw down JAG funds either in advance or on a reimbursement basis. To draw down in advance, a trust fund must be established in which to deposit the funds. The trust fund must be in an interest-bearing account, unless one of the exceptions in 2 C.F.R. § 200.305(b)(8) apply. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit the funds. For additional information, see 2 C.F.R. § 200.305.

Certifications and Assurances by the Chief Executive of the Applicant Government (which incorporates the 30-day governing body review requirement) — A JAG application is not complete, and a unit of local government may not access award funds, unless the chief executive of the applicant unit of local government (e.g., the mayor) properly executes, and the unit of local government submits, the "Certifications and Assurances by the Chief Executive of the Applicant Government." The most up-to-date version of this certification can be found at: [FY 2022 Byrne JAG — Certifications and Assurances by the Chief Executive of the Applicant Government \(ojp.gov\)](#). Please note that this certification takes the place of the review narrative attachment and contains

assurances that the governing body notification and public comment requirements, which are required under the JAG statute (at 34 U.S.C. § 10153(a)(2)), have been satisfied.

OJP will not deny an application for an FY 2022 award for failure to submit these “Certifications and Assurances by the Chief Executive of the Applicant Government” by the application deadline, but a unit of local government will not be able to access award funds (and its award will include a condition that withholds funds) until it submits these certifications and assurances, properly executed by its respective chief executive (e.g., the mayor).

Body-worn Cameras (BWCs) — A JAG award recipient that proposes to use FY 2022 funds to purchase BWC equipment or implement or enhance BWC programs must provide to OJP a certification(s) that each direct recipient receiving the equipment or implementing the program has policies and procedures in place related to BWC equipment usage, data storage and access, privacy considerations, and training. The certification form related to BWC policies and procedures can be found at: [Edward Byrne Memorial Justice Assistance Grant \(JAG\) Program — Body-worn Camera \(BWC\) Policy Certification \(ojp.gov\)](#).

A JAG award recipient that proposes to use funds for BWC-related expenses will have funds withheld until the required certification is submitted and approved by OJP. If the JAG award recipient proposes to change project activities to utilize JAG funds for BWC-related expenses after the award is accepted, the JAG award recipient must submit the signed certification to OJP at that time.

Further, before making any subaward for BWC-related expenses, the JAG award recipient must collect a completed BWC certification from the proposed subrecipient. Any such certifications must be maintained by the JAG award recipient and made available to OJP upon request. The [BJA BWC Toolkit](#) provides model BWC policies and best practices to assist criminal justice departments in implementing BWC programs.

Apart from the JAG Program, BJA provides funds under the [Body-worn Camera Policy and Implementation Program](#) (BWCPPI). BWCPPI allows jurisdictions to develop and implement policies and practices required for effective program adoption; and to address program factors including the purchase, deployment, and maintenance of camera systems and equipment; data storage and access; and privacy considerations. Interested JAG award recipients may wish to refer to the BWC Program web page for more information. JAG award recipients that are also BWC award recipients may not use JAG funds for any part of the 50 percent match required by the BWC Program.

Body Armor — Body armor purchased with JAG funds may be purchased at any threat level, make, or model from any distributor or manufacturer, as long as the following requirements are met: The body armor must have been tested and found to comply with the latest applicable National Institute of Justice ballistic or stab standards (<https://cjitec.org/compliance-testing-program/compliant-product-lists/>). In addition, body armor purchased must be made in the United States.

Finally, body armor purchased with JAG funds must be “uniquely fitted vests,” which means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage through a combination of: (1) correctly sized panels and carrier determined through appropriate measurement, and (2) properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features. Note that the requirement that body armor be “uniquely fitted” does not necessarily require body armor that is individually manufactured based on the measurements of an individual wearer. In support of OJP’s efforts to improve officer safety, the American Society for Testing and Materials (ASTM) International has made available the Standard Practice for Body Armor Wearer Measurement and Fitting of Armor ([Active Standard ASTM E3003](#)) at no cost. The [Personal Armor Fit Assessment Checklist](#) is excerpted from ASTM E3003.

A JAG award recipient that proposes to use FY 2022 award funds to purchase body armor must provide OJP with a certification(s) that each law enforcement agency receiving body armor has a written “mandatory wear” policy in effect* (see [34 U.S.C. § 10202\(c\)](#)). The certification form related to mandatory wear can be found at: [Justice Assistance Grant \(JAG\) Program — Body Armor Mandatory Wear Policy Certification \(ojp.gov\)](#). Note: A JAG award recipient that proposes to use funds for the purchase of body armor will have funds withheld until the required certification is submitted and approved by OJP. If the JAG award recipient proposes to change project activities to utilize funds for the purchase body armor after the award is accepted, the award recipient must submit the signed certification to OJP at that time.

Further, before making any subaward for the purchase of body armor, the JAG award recipient must collect a completed mandatory wear certification from the proposed subrecipient. Any such certifications must be maintained by the JAG award recipient and made available to OJP upon request.

Apart from the JAG Program, BJA provides funds under the Patrick Leahy Bulletproof Vest Partnership (BVP) Program. The BVP Program provides funding to state and local law enforcement agencies for the purchase of ballistic-resistant and stab-resistant body armor. For more information on the BVP Program, including eligibility and an application, refer to the [BVP web page](#). JAG award recipients should note, however, that funds may not be used as any part of the 50 percent match required by the BVP Program.

*A mandatory wear concept and issues paper and a model policy are available from the BVP Customer Support Center, which can be contacted at vests@usdoj.gov or toll free at 1-877-758-3787. Additional information and FAQs related to the mandatory wear policy and certifications can be found in the [JAG FAQs](#).

Interoperable Communications — Units of local government (including any subrecipients) that are using FY 2022 JAG funds for emergency communications activities should comply with the SAFECOM Guidance for Emergency Communication Grants (SAFECOM Guidance), including provisions on technical standards that ensure and enhance interoperable communications. The SAFECOM Guidance is an essential resource for entities applying for federal financial assistance for emergency communications projects. It provides general information on eligible activities, technical standards, and other terms and conditions that are common to most federal emergency communications programs. Specifically, the SAFECOM Guidance provides guidance to applicants on:

- Recommendations for planning, coordinating, and implementing projects.
- Emergency communications activities that can be funded through federal grants.
- Best practices, policies, and technical standards that help to improve interoperability.
- Resources to help grant recipients comply with technical standards and grant requirement

SAFECOM Guidance is recognized as the primary guidance on emergency communications grants by the Administration, Office of Management and Budget, and federal grant program offices. CISA updates the document every year in close coordination with federal, state, local, tribal, and territorial stakeholders and partners. SAFECOM Guidance is applicable to all federal grants funding emergency communications. The most recent version of the SAFECOM Guidance is available at <https://www.cisa.gov/safecom/funding>.

Additionally, emergency communications projects funded with FY 2022 JAG funds should support the Statewide Communication Interoperability Plan (SCIP) and be coordinated with the full-time statewide interoperability coordinator (SWIC) in the state of the project. As the central coordination point for a state's interoperability effort, the SWIC plays a critical role and can serve as a valuable resource. SWICs are responsible for the implementation of SCIP through coordination and collaboration with the emergency response community. CISA maintains a list of SWICs for each state and territory. Contact ecd@cisa.dhs.gov for more information. All communications equipment purchased with FY 2022 JAG Program funding should be identified during the quarterly performance measurement reporting.

DNA Testing of Evidentiary Materials and Uploading DNA Profiles to a Database — If JAG Program funds are to be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), the national DNA database operated by the FBI, by a government DNA lab with access to CODIS. No profiles generated with JAG funding may be entered into any other nongovernmental DNA database without prior written approval from BJA (exceptions include forensic genealogy). Additionally, award recipients utilizing JAG funds for forensic genealogy testing must adhere to the DOJ Interim Policy Forensic Genealogical DNA Analysis and Searching available at <https://www.justice.gov/olp/page/file/1204386/download>. For more information about DNA testing as it pertains to JAG, please refer to the [JAG FAQs](#).

Entry of Records into State Repositories — As appropriate and to the extent consistent with law, a special condition will be imposed that would require the following: Any program or activity that receives federal financial assistance under JAG that is likely to generate court dispositions or other records relevant to NICS determinations, including any dispositions or records that involve any noncitizen or migrant who is undocumented in the United States (18 U.S.C. § 922(g)(5)(A)), must have a system in place to ensure that all such NICS-relevant

dispositions or records are made available in a timely fashion.

National Incident-based Reporting System (NIBRS) — In FY 2016, the FBI formally announced its intention to sunset the UCR program's traditional Summary Reporting System (SRS) and replace it with NIBRS by January 1, 2021. By statute, BJA JAG awards are calculated using summary part 1 violent crime data from the FBI's UCR program. Specifically, the formula allocations for JAG rely heavily on the ratio of "the average number of part 1 violent crimes of the UCR of the FBI reported by such state for the three most recent years reported by such state to the average annual number of such crimes reported by all states for such years" (34 U.S.C. 10156(a)(1)(B)). Further, the local allocations rely on the "average annual number of part 1 violent crimes reported by such unit to the Federal Bureau of Investigation for the 3 most recent calendar years for which such data is available bears to the number of part 1 violent crimes reported by all units of local government in the State in which the unit is located to the Federal Bureau of Investigation for such years" (34 U.S.C. 10156(d)(2)(A)). In preparation for the FBI's 2021 NIBRS compliance deadline, BJA imposed an administrative requirement for JAG award recipients that are not NIBRS compliant to dedicate 3 percent of their JAG award toward coming into full compliance with the FBI's NIBRS data submission requirement to both encourage and assist jurisdictions in working toward compliance and ensure they continued to have critical criminal justice funding available through JAG when SRS transitioned to NIBRS. **A NIBRS set-aside is NOT required for FY 2022 awards**; however, JAG recipients are encouraged to continue working toward and/or maintaining NIBRS compliance to ensure that JAG eligibility is not affected in future fiscal years. More information about NIBRS, including toolkits and updates from the FBI Criminal Justice Information Services team, can be found at [NIBRS — FBI](#).

The budget narrative and budget worksheet (attachment) are critical elements, and applicants will be unable to successfully submit an application in JustGrants unless an attachment is uploaded in this section. If an applicant does not have a budget to submit at the time of application, an attachment must be uploaded noting as such, and BJA will add the appropriate special condition withholding funds for budget documentation.

Please note that the budget narrative should include a full description of all costs, including administrative costs (if applicable).

Indirect Cost Rate Agreement (if applicable)

The applicant will submit its indirect cost rate agreement by uploading it as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

This rule does not eliminate or alter the JAG-specific restriction in federal law that states charges for administrative costs may not exceed 10 percent of the award amount, regardless of the approved indirect cost rate.

Financial Management Questionnaire (including applicant disclosure of high-risk status)

The applicant will download the questionnaire, complete it, and submit it by uploading it as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information and the link to the questionnaire.

Disclosure of Process Related to Executive Compensation

This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating its "Disclosure of Process Related to Executive Compensation" provisions. Applicants to this solicitation are not required to provide this disclosure.

Additional Application Components

The applicant will attach the requested documentation in JustGrants.

Research and Evaluation Independence and Integrity Statement

If an application proposes research (including research and development) and/or evaluation, the applicant must

demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will submit documentation of its research and evaluation independence and integrity by uploading it as an attachment in JustGrants. For additional information, see the [OJP Grant Application Resource Guide](#).

Certifications and Assurances by the Chief Executive of the Applicant Government

A JAG application is not complete, and a unit of local government may not access award funds, unless the chief executive of the applicant unit of local government (e.g., the mayor) properly executes, and submits, the "Certifications and Assurances by the Chief Executive of the Applicant Government" attached in the section above entitled "Other Program Requirements." The most up-to-date certification form can be found at: [FY 2022 Byrne JAG — Certifications and Assurances by the Chief Executive of the Applicant Government \(ojp.gov\)](#).

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities

Complete and submit the SF-LLL in Grants.gov. See the [OJP Grant Application Resource Guide](#) for additional information.

DOJ Certified Standard Assurances

Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

Applicant Disclosure of Duplication in Cost Items

Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the [OJP Grant Application Resource Guide](#) for additional information.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Review and accept the DOJ Certified Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; and Law Enforcement and Community Policing in JustGrants. See the [OJP Grant Application Resource Guide for additional information](#).

Applicant Disclosure and Justification – DOJ High Risk Grantees (if applicable)

If applicable, submit the DOJ High Risk Disclosure and Justification as an attachment in JustGrants. A DOJ High Risk Grantee is an award recipient that has received a DOJ High Risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, or noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [OJP Grant Application Resource Guide](#) for additional information.

How to Apply

Step 1: The applicant must submit the **SF-424** and an **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html>.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov.

For additional information, see the "How to Apply" section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by August 3, 2022 at 8:59 p.m. eastern time.

The **full application** must be submitted in JustGrants by August 8, 2022 at 8:59 p.m. eastern time.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline.

Experiencing Unforeseen Technical Issues

An applicant that experiences unforeseen SAM.gov, Grants.gov, or JustGrants technical issues beyond its control that prevent application submission by the deadline must demonstrate all efforts in requesting technical support in order to submit an application by the deadline. Technical support is available via phone and email to the applicable SAM.gov, Grants.gov, or JustGrants support centers or service desks in which an applicant received a ticket number for resolution. If an applicant misses a deadline due to unforeseen technical difficulties, the applicant may request a waiver to submit an application after the deadline. *Note: If an applicant does not submit all the required Grants.gov forms by the Grants.gov deadline, the applicant will not be able to proceed to the JustGrants portion of the application process.*

An applicant experiencing technical difficulties with the following systems must contact the associated support desk indicated below to report the technical issue and receive a tracking number:

- Grants.gov — Contact the [Grants.gov Customer Support Hotline](#).
- SAM.gov — Contact the [SAM Help Desk \(Federal Service Desk\)](#).
- JustGrants — Contact the JustGrants Support Desk at JustGrants.Support@usdoj.gov or 833-872-5175.

An applicant requesting a waiver to submit a late application must document their request for technical assistance in an email to the OJP Response Center at grants@ncjrs.gov **within 24 hours after the application deadline** to request approval to submit its application after the deadline. If an applicant has technical issues with Grants.gov, the applicant must contact the OJP Response Center within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. Waiver requests to submit after the submission deadline must:

- Describe the technical difficulties experienced.
- Include a timeline of the applicant's submission efforts (e.g., what date and time did the error occur, what date and time was action taken to resolve the issue and resubmit; and what date and time did support representatives respond).
- Include an attachment(s) of the complete grant application and all required documentation and material.
- Include the applicant's Unique Entity Identifier (UEI) and any applicable SAM.gov tracking number(s), Grants.gov Help Desk, and JustGrants Support Desk Ticket Numbers.

OJP will review each request for late submission and required supporting documentation and notify the applicant whether the request has been approved or denied. For more details on the waiver process, OJP encourages applicants to review the "Experiencing Unforeseen Technical Issues" section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the [OJP Grant Application Resource Guide](#) for information on the application review process for this solicitation.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and

consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.

For additional information on these legal requirements, see the "Administrative, National Policy, and Other Legal Requirements" section in the [OJP Grant Application Resource Guide](#).

The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48)

hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. For the purposes of this Grant Contract, "PII" includes "Nonpublic Personal Information" as that term is defined in Title V of the Gramm-Leach-Bliley Act of 1999 or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("GLBA") and personally identifiable information and other data protected under any other applicable laws, rule or regulation of any jurisdiction relating to disclosure or use of personal information ("Privacy Laws"). Grantee agrees it shall not do or omit to do anything which would cause the State to be in breach of any Privacy Laws. Grantee shall, and shall cause its employees, agents and representatives to: (i) keep PII confidential and may use and disclose PII only as necessary to carry out those specific aspects of the purpose for which the PII was disclosed to Grantee and in accordance with this Grant Contract, GLBA and Privacy Laws; and (ii) implement and maintain appropriate technical and organizational measures regarding information security to: (A) ensure the security and confidentiality of PII; (B) protect against any threats or hazards to the security or integrity of PII; and (C) prevent unauthorized access to or use of PII. Grantee shall immediately notify State: (1) of any disclosure or use of any PII by Grantee or any of its employees, agents and representatives in breach of this Grant Contract; and (2) of any disclosure of any PII to Grantee or its employees, agents and representatives where the purpose of such disclosure is not known to Grantee or its employees, agents and representatives. The State reserves the right to review Grantee's policies and procedures used to maintain the security and confidentiality of PII and Grantee shall, and cause its employees, agents and representatives to, comply with all reasonable requests or directions from the State to enable the State to verify or ensure that Grantee is in full compliance with its obligations under this Grant Contract in relation to PII. Upon termination or expiration of the Grant Contract or at the State's direction at any time in its sole discretion, whichever is earlier, Grantee shall immediately return to the State any and all PII which it has received under this Grant Contract and shall destroy all records of such PII.

The Grantee shall report to the State any instances of unauthorized access to or potential disclosure of PII in the custody or control of Grantee ("Unauthorized Disclosure") that come to the Grantee's attention. Any such report shall be made by the Grantee within twenty-four (24) hours after the Unauthorized Disclosure has come to the attention of the Grantee. Grantee shall take all necessary measures to halt any further Unauthorized Disclosures. The Grantee, at the sole discretion of the State, shall provide no cost credit monitoring services for individuals whose PII was affected by the Unauthorized Disclosure. The Grantee shall bear the cost of notification to all individuals affected by the Unauthorized Disclosure, including individual letters and public notice. The remedies set forth in this Section are not exclusive and are in addition to any claims or remedies available to this State under this Grant Contract or otherwise available at law. The obligations set forth in this Section shall survive the termination of this Grant Contract.

Executive Summary:

The West End Home Foundation, in partnership with the statewide SeniorTrust Consortium, is serving as fiscal and administrative agent of 3.8 million dollars that has been set aside for Digital Literacy Grants for seniors across the State of Tennessee. The Grant program aims to reduce social isolation and increase access to essential services through digital literacy and inclusion for older Tennesseans. The Kingsport Senior Center received a grant of \$124,142.00 for its Equip, Educate, and Engage the 60+ with Digital Literacy and a Virtual Center project. This was a competitive grant and the Kingsport Senior Center was the only Senior Center in the region to receive the grant.

There are no matching funds required for the grant.

City staff were only notified of the grant award on June 23, 2022 and the executed grant contract was due back to West End Home Foundation no later than July 1, 2022. Based on the fact no matching funds were required and the significance of the award the grant contract was executed by the Mayor. Thus, the board is asked to approve the contract and ratify the Mayor's signature.

**SeniorTrust Digital Literacy Statewide Grant Kingsport Senior Center
Equip, Educate & Engage the 60+ with Digital Literacy and a Virtual Center
Project Work Plan**

The pandemic of 2020 and 2021 brought about many challenges for the Kingsport Senior Center. The most significant challenge was how to get information about essential services and social supports out to our 4500+ members in the greater Kingsport and Sullivan County area. In the beginning the Centers' staff was most concerned about pandemic information and how to get the services seniors needed to them in their homes with so many businesses' shut down.

The Center decided to create a "Virtual Senior Center". We had to shut down our facilities to our members but our staff remained and began to work diligently on this project. We began to put on multiple daily Facebook posts with vital information to our members. Posts included vital information about Covid-19, new updates from the CDC and our Regional Health Department. The staff also worked in each program area by providing at home exercise classes, cultural classes, exciting documentaries, cooking classes, zoom classes and information, facetime seminars, various essential services information, ordering online groceries, how to use grubhub and other food delivery services, how to get your prescriptions delivered, and many, many more. A YouTube Channel was also created to house video classes, events, and information. We also utilized our website, email, and created phone buddies in order to distribute information and response from our members. The Center had

great results in our efforts and began to realize that even when we opened our seniors needed this type of interaction. Once we began to open it came to our attention that the social isolation that the pandemic brought about was much greater than any of us anticipated. In discussions with the Sullivan County Regional Health Director Gary Mayes he relayed that they were seeing various health problems in seniors related to the isolation. The staff began to see seniors coming in with additional health concerns especially mobility and cognitive issues. We realized we just weren't reaching all of our members or local seniors with our "Virtual Center". In conversations with those individuals a general theme resulted. Digital Literacy! Many didn't have a device or didn't know how to use the device they had and most all needed one on one training in order to utilize their device.

According to The Washington Post article 'Calming computer jitters: Help for the elderly who aren't tech-savvy' by Judith Graham, Judith states "A survey from AARP, conducted in September and October, highlights the quandary. It found that older adults boosted technology purchases during the pandemic but more than half (54 percent) said they needed a better grasp of the devices they had acquired. Nearly 4 in 10 (37 percent) admitted they weren't confident about using these technologies". This project will help us meet that need along with providing the information needed once the senior grasps the use of the device. East Tennessee State University working under a Federal Grant is identifying the needs of digital literacy to help defeat food insecurity and loneliness among congregate meal participants in Northeast Tennessee. The University has been conducting peer meetings with Senior Center Directors and surveying their members as part of the grant. By offering the Kingsport Senior Center a support letter and partnership they have committed to sharing this information with us to use in this project. Their grant has been underway and they are finishing up the results. This will help us greatly with the needs assessment in our area.

In preparing to address internet safety and cyber security the Center has formed a partnership with Northeast State Community College, the Kingsport Public Library, and the UT Extension, Sullivan County for internet connectivity classes as well as cyber security education. These partnerships will provide intergenerational mentoring and instruction to all those that receive one of the senior appropriate devices as well as those that currently have devices but do not know how to use them or are afraid to use them. In this way we plan on reaching many more in our community than just the seniors that are getting devices with this grant. As several of the isolated seniors in our community would not leave their home for these classes and mentoring, our plan is to come to them. The Center will employ Whitney Sensabaugh a Northeast State Technical graduate to work one on one with individuals in their home getting the senior set up on the internet, learning the device, and placing an emphasis on cyber security. Whitney has taught classes and worked one on one with the Senior Center in the past and the seniors love her and have learned a great deal from her. Whitney offers diversity to our grant and will be a huge asset in getting devices and connectivity to underserved seniors in our area. Whitney will be using mobile hotspots that we have requested in our budget to help aid in this part of our program.

Our target population for this grant is those seniors 60 and older that are isolated due to not having a device or internet connection to access social supports and essential services throughout the greater Kingsport Area. If the senior meets 100% of the 2022 Federal Poverty level they would be qualified to receive a google chrome book or iPad mini free of cost, all instruction, one on one in home instruction, help with connectivity whether it be a mobile hot spot until internet could be purchased or help in purchasing a low cost internet service. The senior would need to live in the greater Kingsport Area of Sullivan County to be eligible for the device and in home service. The instruction at the Senior Center would be open to all seniors age 60 and older in Sullivan County and the surrounding Counties of Washington and Hawkins. All Tennesseans are the benefactor of a growing "Virtual Senior Center" offered in various social media produced by the Kingsport Senior Center.

The project strategies for this grant are to meet seniors where they live, provide devices and internet connectivity, provide technical support and cyber security, and to offer each senior a "Virtual Senior Center" at their fingertips. By offering in home support, college classes with intergenerational mentors, the correct devices for seniors, partnerships that are invested in the results, and an ever growing "Virtual Center" that provides not only the most essential services information but social supports that meet a wide variety of interests our strategies will be successful.

The overall wellbeing of older Tennesseans through digital literacy, increased social supports, access to essential services, access to enabled devices, quality technical support and cyber security can and will be achieved through this grant. The Kingsport Senior Center's project will meet all of these outcomes within the year of the grant. The additional benefit of choosing the Kingsport Senior Center will be the ongoing "Virtual Center" that will protect and enhance those efforts, costs, and the results for generations to come.

A Resolution to Approve an Agreement Between the Bays Mountain Park Association and the City of Kingsport for Event Registration and Ticket Sales Through CivicRec

To: Board of Mayor and Aldermen

 Work Session: July 18, 2022

 Presentation By: M. Borders

Recommendation:

Approve the resolution.

Executive Summary:

In March of 2022 the Leisure Services Department began the implementation of CivicRec which provides features we previously did not have the ability to offer. During this implementation it was determined the most customer friendly and beneficial decision for the park was to restructure many Association performed functions under the purview of the Bays Mountain Park Commission and city staff to streamline and eliminate duplications.

The Association is currently in the process of planning Association specific events. To present an easy to understand and use package to park users the Association, Commission, and city staff agree that utilizing the CivicRec platform for Association registrations and special events is the best interest of the customer.

This proposal will incur de minimis staff time to process payments to the Association. The City would absorb credit card processing fees associated with the use of the platform which we estimate would not exceed \$300.00 annually.

Recommendation:

Approve the resolution.

Executive Summary:

Enviro-Goat LLC desires to make an in-kind donation of services to the city by providing goats to clear vegetation from Cement Hill at no charge. Staff recommends the board accept this in-kind donation and authorize the Mayor to execute an amendment to the current agreement.

In September, 2021 the city entered into a contract for services with Enviro-Goat, LLC which provided goats to clear vegetation from Cement Hill. The contract is set to expire on September 23, 2021. Enviro-Goat has offered to extend the contract for one year and will provide this service free of charge as an in-kind donation of services to the City. Since the current agreement is in effect until September an amendment is necessary to reflect the service will be provided as an in-kind donation of services.

This service will benefit the public by keeping Cement Hill free from excessive and unruly vegetation all at no cost to the city.
