- I. **CALL TO ORDER** 4:30 p.m. by Mayor Patrick W. Shull
- II. **ROLL CALL** by City Recorder/Treasurer Lisa Winkle. All present.
- III. **DISCUSSION ITEMS**

1. **Board Room Naming**

Alderman Montgomery presented this item, asking the board to consider naming the boardroom after a previous member of the BMA and asked staff to develop a process. He suggested former Mayor Ruth Montgomery and former Vice-Mayor Richard Waterson. There was discussion on naming rooms in a facility versus naming a building.

At this time, the mayor informed the board of a recent proposed change to the Tennessee legislation that will result with partisan municipal elections. He pointed out this would not be compatible with the city's current council-manager form of government and this decision should be up the individual cities. There was considerable discussion. Vice-Mayor George suggested a resolution be passed to oppose the change. The City Manager stated staff would research and see the progress of this amendment to determine when such a resolution would need to be presented.

City Recorder Winkle further stated this does not give the authority to write off a balance, but just extend the time to pay. Vice Mayor George commented we need to get this out to the public so they know it's available.
