

The City of Kingsport provides garbage collection service to any household within city limits. Every household can receive one garbage cart for a sanitation fee of just \$8 a month. If you need more garbage carts, you can purchase one for \$60, with an additional sanitation fee of \$8 a month per extra cart. You can get a recycling bin for free!

Garbage collection usually runs Monday through Friday between 7 a.m. and 3:30 p.m. The Sanitation Department requests that you have your garbage carts at the curbside by no later than 7 a.m. on your scheduled collection day.
