

KEEP KINGSPORT BEAUTIFUL

Nestled in the Holston River Valley, Kingsport certainly is a beautiful place to live—but it doesn't stay that way without effort. Keep Kingsport Beautiful leads the way in beautifying and maintaining our city.

Keep Kingsport Beautiful, an affiliate of Keep America Beautiful, is a joint program between the City of Kingsport and the Kingsport Chamber Foundation. Through its mission to involve the community in responsible solutions for a clean and beautiful environment, Keep Kingsport Beautiful has won over 60 national, state, and other environmental awards since its formation in 1980.
