## KINGSPORT CITY SCHOOLS FISCAL YEAR 2017-2018 BUDGET AMENDMENT NUMBER THREE

#### CAPITAL PROJECTS FUND

#### DOBYNS-BENNETT TRACK PROJECT

In November 2017 the Board of Education approved funding for resurfacing the D-B track in the amount of \$925,000. This amount was based on an estimate received from the architect/engineer for the project. Bids were opened on January 25, 2018. There were three bids received. Baseline Sports submitted the lowest bid. The base bid was \$866,932. There were three alternates. Alternate one is to replace the fence along the front stretch of the track. Baseline's bid for that work is \$33,450. Alternate two is for 2 new long jump pits. Baseline's bid for that work is \$31,000. Alternate three is to place the track material in part of the infield, which would allow for 2 high jump pits. Baseline's bid for that work is \$149,380. It is recommended that we accept alternates one and two, but not alternate three.

The revised current estimate for the total project cost is \$1,010,000. This includes the following:

Base Bid	\$	866,932
Alternate One		33,450
Alternate Two		31,000
Architect Fees		21,610
Contingency - 6%		55,883
Miscellaneous		1,125
Total	\$1	,010,000

With current funding established at \$925,000, an additional \$85,000 will need to be identified and transferred to this project. We will need to use funds from the General Purpose School Fund Unreserved Fund Balance to make up this difference. At June 30, 2017 the Unreserved Fund Balance was \$5,428,233.

It is recommended that the Board approve a motion to transfer \$85,000 from the General Purpose School Fund Unreserved Fund Balance to the Dobyns-Bennett Track project.

## Awarding the Bid for Mowing & Trimming Services

To:

Board of Mayor and Aldermen

From:

Jeff Fleming, City Manager

Action Form No.: AF-35-2018

Work Session:

March 5, 2018

First Reading:

N/A

Final Adoption: Staff Work By:

March 6, 2018 Committee

Presentation By: R. McReynolds

#### Recommendation:

Approve the Resolution.

**Executive Summary:** 

The need for contractual mowing and trimming services dates back to several years ago with the addition of new mowing areas without the addition of city employees. The areas included Fordtown Road, Cleek Road, 911 Center, Carousel Park, Preston Park, Montclair Cemetery, Riverwalk Park, Edinburgh Park, Rock Springs Community Center, and other areas. The decision was made to contract the mowing of these areas rather than add an employee plus the equipment needed for this service. Adding a few areas to the current contract has also facilitated the movement of two employees to work in the downtown area.

Bids were opened on February 7, 2018 for Mowing & Trimming Services for various locations. The advertisement for the Invitation to Bid was published in the Kingsport Times News on January 17, 2018 and placed on our website for 22 calendar days.

It is the recommendation of the committee to accept the apparent low bid from Manuel Mowing LLC in the amount of \$82,425.00 for the mowing season which is inclusive 33 areas to be maintained.

- **8.** Alterations. Tenant shall make alterations, additions, improvements, and other changes to the Premises, as defined by the scope of the plans approved by Landlord, without additional approval of the Board of Mayor and Aldermen of Landlord. Any alterations, additions or improvements to the Premises by Tenant, shall be made: (a) by Tenant at Tenant's sole cost and expense; (b) in a good, workmanlike, first-class and prompt manner; and (c) in accordance with all applicable legal requirements and the requirements of any insurance company insuring the Premises.

- **10. Liens.** Tenant shall keep the Premises and improvements thereon free from any liens arising out of any work performed, materials furnished, or obligations incurred by or on behalf of Tenant.
- 11. Assignment and Subletting. Tenant shall not voluntarily, or by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or allow any other person (employees, agents, servants, member, groups and invitees of Tenant excepted) to occupy or use the said Premises, or any portion thereof, without first obtaining the written consent of Landlord. Landlord may refuse to give consent and this decision shall be at Landlord's sole and absolute discretion. Consent to one assignment, subletting, occupation or use to any other person shall not be deemed to be consent to any subsequent assignment, subletting, occupation or use by another person. Consent to any such assignment or subletting shall in no way relieve Tenant of any liability under this Lease. Any such assignment or subletting without such consent shall be void, and shall, at the option of Landlord, constitute a default under the terms of this Lease. It is anticipated that individuals will be members of the Center for a fee and such membership will not be considered a subletting, if, and only if, such membership provides that the membership terminates upon the expiration or termination of this Lease for any reason.
- 12. Hazardous Substances. The term Hazardous Substances, as used in this Lease, shall mean pollutants, contaminants, toxic or hazardous wastes or any other substances the use and/or the removal of which is restricted, prohibited or penalized by any Environmental Law, which term shall mean any federal, state, or local law, ordinance or other statute of a governmental authority relating to pollution or protection of the environment. used in any manner for the storage of any Hazardous Substances; (c) Tenant will not allow any surface or subsurface conditions to exist or come into existence that constitute or with the passage of time may constitute a public or private nuisance; and (d) Tenant will not permit any Hazardous Substances to be brought onto the Premises, and if so brought or found located thereon, the same shall be immediately removed with proper disposal and all required cleanup procedures shall be diligently undertaken pursuant to all Environmental Laws.

- 13. Hold Harmless. Tenant shall indemnify and hold harmless Landlord against and from any and all claims arising from Tenant's use of the Premises or from the conduct of its business and from any activity, work, or other things done, permitted or suffered by Tenant in or about the Premises, and shall further indemnify and hold harmless Landlord against and from any and all claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any act or negligence of Tenant, or any officer, agent, employee, guest, or invitee of Tenant, and from all costs, attorneys' fees and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon. In case any action or proceeding is brought against Landlord by reason of such claim, Tenant, upon notice from Landlord, shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in, upon or about the Premises, from any cause; and Tenant hereby waives all claims in respect thereof against Landlord. Tenant shall give prompt notice to Landlord in case of casualty or accidents on the Premises. Any goods, property or personal effects stored or placed by Tenant, its employees or agents, in or about the Premises shall be at the sole risk of Tenant, and Landlord shall not in any manner be held responsible therefore. The provisions of this paragraph shall survive the expiration or termination of this Lease for any reason.
- 14. Liability Insurance. Tenant shall, at Tenant's expense, obtain and keep in force during the term of this Lease a policy of broad form comprehensive general public liability insurance insuring Landlord and Tenant against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in the amount of not less than one million (\$1,000,000) dollars on account of bodily injuries to or death of one person; \$2,000,000.00 on account of bodily injuries to or death of more than one person as the result of any one accident or disaster; and property damage insurance with minimum limits of \$100,000.00. The limit of any such insurance shall not, however, limit the liability of Tenant hereunder. Insurance required hereunder shall: (a) be in companies acceptable to Landlord; (b) shall name Landlord as a named insured on all such policies; and (c) contain an endorsement prohibiting cancellation, failure to renew, reduction of amount of insurance or change in coverage without the insurers first giving Landlord thirty (30) days' prior written notice of such proposed action. Tenant shall deliver to Landlord a duplicate original of each such policy, including all endorsements, together with a receipt evidencing payment of the premium for such insurance on or before the commencement date of this Lease and at least annually thereafter. Any failure, or non-coverage, by such policy shall not affect the indemnity or hold harmless provisions of this Lease. Duplicate policies of all such insurance shall be delivered to Landlord not less than ten (10) days prior to each effective date.
- 15. Loss of Use of Premises by Fire or Casualty. If at any time the Premises become totally untenantable by reason of damage or loss by fire or other casualty and such fire, flood or other casualty shall not have been caused by the negligence or wrongful act or omission of Tenant, Tenant's servants, agents, licensees, or invitees, the rent shall abate until the Premises shall have been restored to tenantable condition, but nothing herein is to be construed as requiring Landlord to restore or rebuild the Premises. If the Premises are so damaged, but not to the extent that they are totally untenantable. Tenant shall continue to occupy the tenantable portion thereof, and the rent shall abate in proportion to the untenantable portion of the Premises. In the event of a loss from fire or other casualty, Landlord shall have an election not to rebuild or recondition the Premises, which such election may be exercised by written notice thereof to Tenant, given within thirty (30) days from the date of such casualty. If Landlord exercises such election, this Lease shall cease and terminate, effective on the date of such loss, and Landlord shall not be required to repay any rent paid by Tenant to Landlord, as it is a nominal rent payment. Upon such termination this Lease shall terminate, with no further obligation on the part of either party hereto for matters thereafter accruing, except the Tenant's obligation to indemnify Landlord as set out in this Lease or any other Agreement between the parties, even though the building may at a later date be rebuilt, restored or reconditioned. No damage or destruction shall allow Tenant to surrender possession of the Premises, nor affect Tenant's liability for the payment of rent, except as may be specifically provided in this Lease
- 16. Contractors and Architects. Nothing in the Lease shall be construed to release any contractor or architect for liability for any defect in design or construction of the renovations to the building contemplated herein, nor shall it be construed to relieve a contractor or architect from liability for such defects or to any third party and if it is so used or construed, it will be null and void.

- 17. Entry by Landlord. Landlord reserves, and shall at any and all times have, the right to enter the Premises to inspect the same as Landlord may deem necessary or desirable, and Landlord shall have the right to use any and all means which Landlord may deem proper to enter said Premises in an emergency without liability to Tenant.
- **18. No Waiver.** The failure of Landlord or Tenant to insist upon a strict performance of any term or condition of this Lease shall not be deemed a waiver of any right or remedy that Landlord or Tenant may have and shall not be deemed a waiver of any subsequent breach of such term or condition.
- 19. Landlord-Tenant Relationship. It is expressly agreed and understood that Landlord shall not be construed or held to be a partner or associate of Tenant in the conduct of its business, it being expressly understood and agreed that the sole relationship between the parties hereto is that of landlord and tenant.
- **20. Notices.** All notices and other communications to be given hereunder by either party shall be in writing and shall be delivered personally or mailed by certified United States mail, postage prepaid, return receipt requested, to the other party (and the date of any notice by certified mail shall be deemed to be the date of certification thereof) delivered or addressed to the parties as follows:

The entire agreement between the parties hereto is contained in this instrument and it is expressly agreed that no obligation of Landlord or Tenant shall be implied in addition to those herein expressly contained. Any amendment to this Lease must be in writing signed by the parties hereto in order to be binding.
- **22.** Binding Effect. The terms and provisions of this Lease shall be binding upon and inure to the benefit of the parties hereto and to their respective successors and assigns.

DATE: March 5, 2018

SUBJECT: Dobyns-Bennett Track Replacement

Bids were opened for the replacement of the Dobyns-Bennett track on January 25, 2018. The base bids ranged from \$866,932 to \$919,394. Mr. Jason Snapp of Mattern & Craig has recommended that we accept the low bid of Baseline Sports for the replacement of the Dobyns-Bennett track. He is also recommending that we accept the alternates, as budget allows.

There were three alternates. Alternate one is to replace the fence along the front stretch of the track. Baseline's bid for that work is \$33,450. Alternate two is for 2 new long jump pits. Baseline's bid for that work is \$31,000. Alternate three is to place the track material in part of the infield, which would allow for 2 high jump pits. Baseline's bid for that work is \$149,380. It is recommended that we accept alternates one and two, but not alternate three.

With the approval of budget amendment number three there is funding for this work in the Dobyns-Bennett Track Replacement project.
