

PAYING BILLS ONLINE

Did you know you can pay your utilities, red light citations, and other accounts receivable bills online through the [City of Kingsport's website](#)? Navigate to the homepage and click on the tab that says "Pay Online." This is what you'll see:

Click which bill you'd like to pay, and a new tab will open that should walk you through the payment process.

Please note that "Pay Water (Utility) Bill" will only work for you if you receive water through Kingsport. Most city residents do, but if you're not sure, head back to the city's website. If you click the tab that says, "My Kingsport," you can input your address.

On the page of information My Kingsport returns, look for "Water Department: Kingsport" in the third column. If you see this, that means you get water through the city.
