

## RENEW YOUR TAGS

---

Renewing your vehicle tags doesn't have to be a hassle! The Sullivan County Clerk's Office, which handles tag renewals for all Kingsport residents in Sullivan County, offers you two different options.

You can visit the county clerk at the Kingsport location at 225 West Center Street. As you look at the building from the parking lot, the clerk's office is on the left side. The office is open Monday through Friday, 8 a.m. to 5 p.m. There are other offices in Blountville and Bristol.

If you don't want to go in person, Sullivan County now offers [online tag renewal](#). For either option, you'll need to know your license plate and title number.

If you live out in Allandale or Rotherwood, you may be in Hawkins County. To find out for sure, you can use the "My Kingsport" function on the [city's website](#). Click the tab and search your address to bring up your information. If you see Hawkins anywhere under the "Police" section instead of Kingsport or Sullivan, you live in Hawkins County.
