A special fountain is being constructed at the new Food City location in Kingsport using bricks from the original Kingsport Press complex. The fountain perimeter will showcase memorial pavers, which can be purchased from Engage Kingsport, an organization assisting the Kingsport Cultural Arts Division. All proceeds will benefit Engage Kingsport's Carousel Project.

The Carousel will feature a variety of wooden

animals and carvings which are being hand carved by individuals from throughout the Kingsport region, many of whom are volunteering their time and talents to assist with the project. Engage Kingsport hopes to raise \$200,000 to \$250,000 through a number of sponsorship opportunities in order to fund their Carousel Project. With an estimated completion date of June 2013, the carousel will be erected in front of the new Food City in the Farmer's Market area.
